

Dear Daly City Community,

Unfortunately, our City Manager Pat Martel is retiring. The City Council hired Bob Murray and Associates to help us with the recruitment for our new City Manager. This firm has great experience and we are confident that they will assist us greatly in this venture to find the best fit for the needs of the City. Input from our community is the way government works best. Therefore, please [CLICK HERE to take the digital survey](#) and provide your voice as the City Council decides on the next City Manager for Daly City. Please note that all survey responses must be received no later than May 31, 2018.

Yours truly,

City Council of Daly City

P.S. If you are unable to access the survey digitally, please contact Human Resources Director Shawwna Maltbie at smaltbie@dalycity.org or at 650.991.8028 and a paper survey will be sent to you.
