REPORTS
1. Director’s Report:
   a. Cultural Affairs Program:
      Assistant City Manager/Interim Director Kerry Burns reviewed the current cultural events which are Black History (February); Women’s History Month (March); and Hispanic Heritage (September or October). Ms. Burns asked for the assistance of the Commission to check with their Councilmembers to ensure the cultural affairs programs are consistent with their vision and expectations and to bring their input to the April Joint Special Meeting with the Library Board of Trustees.

Ms. Burns pointed out the powers and duties of the Commissioners and relationship to staff. These items are consistent to what was presented in an earlier training. Ms. Burns noted that, with regards to the Commission’s relationship to Parks, it is anticipated there will be an ad hoc Parks Advisory Committee comprised of staff and community members. Any items the Parks Advisory Committee has related to Library and Recreation Services would come forward to the Parks and Recreation Commission prior to City Council. Ms. Burns will remain as the Staff Liaison until the City Manager appoints a Director to the Department of Library and Recreation Services. At the March 26 City Council meeting, staff will report the Municipal Code amendments to City Council.

   c. Summer Youth Recreation Program (SYRP):
      Ms. Burns introduced Recreation Services Manager Denise Brown who presented a rebranded and expanded look at the Summer Youth Recreation Program. With the increase of fees, Ms. Brown reviewed this successful program and its values in relation to the fees. Commissioners provided feedback and discussion regarding the fee structure and the competitive, affordability of the fees. Ms. Burns stated we are looking at fees in the surrounding areas and staff is looking at nominal fee increases for the Biennial Budget.
Staff noted that facility accommodations limit us to the number of participants. The SYRP Report will be presented to City Council at the March 12 City Council meeting.

Subject: Proposed Revised Satisfaction Guarantee Policy and Program, Camp, Class and League Refund Policy

---

Recommended Action
Staff recommends the Parks and Recreation Commission review and approve the Proposed Revised Program, Camp, Class and League Satisfaction Guarantee and Refund Policies.

Background
The Department of Library and Recreation Services, as stated in the Activity Guide, presently provides registration fee refunds under the following circumstances and conditions:

1. After a program, camp, class or youth sports league has commenced, refunds are provided only under three conditions:
   a. The participant has an extended illness;
   b. The participant has a family emergency; or,
   c. The participant exercises the Department's Satisfaction Guarantee.

2. If a customer exercises the Department’s Satisfaction Guarantee within 10 business days of the last day of the program or class, the customer may:
   a. Repeat the program, class, camp, or youth sports league at no charge;
   b. Receive full credit toward another program; or,
   c. Receive a cash refund.

Discussion
While well-intended, the current Policies’ implementation presents a number of concerns and challenges:

- The Refund Policy is silent on how refunds or credits should be provided prior to the first day of the program or class. This has become an issue with high-demand programs when a registrant withdraws only days or hours before the program or class begins. This last-minute withdrawal with a full refund eliminates the opportunity for other interested customers to enroll in the program and deprives the City of the much needed revenue.
Parks and Recreation Commission
Regular Meeting – March 27, 2012
Proposed Revised Satisfaction Guarantee Policy and
Program, Class, Camp, and League Refund Policy

- Once a program or class begins, refunds may be provided for only three reasons: extended illness, family emergency or customer dissatisfaction. This creates a challenge for staff who is placed in the position of determining what constitutes an extended illness or a family emergency.

- The Department’s Satisfaction Guarantee Policy allows a registrant to request a full refund after a program has ended, even if the registrant attended every session.

In developing the Proposed Revised Satisfaction Guarantee Policy and Program, Class, Camp, and League Refund Policy, a survey was performed of policies in cities throughout San Mateo County. This survey provided the following information:

- Only two other jurisdictions in San Mateo County have a satisfaction guarantee policy. Foster City’s policy states that participants should “Contact us immediately so that we can work to resolve your concern...If we are unable to resolve your concerns, we will be happy to transfer you to another class or issue a full refund.” The Millbrae policy states: “If you are unsatisfied with a course, you may fill out a Class Evaluation form and receive your registration fee back on your account to use for future registrations.” Neither policy states that a person can complete a class and then request a refund after completion. The Millbrae policy provides credit only.

- Nine of the fourteen jurisdictions surveyed set deadlines on refunds for class withdrawals before a class begins. These deadlines varied from three days to two weeks, with the most common deadline being one week.

- Ten of the fourteen jurisdictions surveyed require a refund processing fee. These fees varied from five to fifteen dollars, with the most common fee being ten dollars.

- Two jurisdictions do not give refunds; they provide credit only. One jurisdiction provides refunds only and no credits. Another jurisdiction provides credit only (no refund) if the request to withdraw from the class comes after their one-week withdrawal deadline has passed.

The specific details of the Satisfaction Guarantee Policy and the Program, Class, Camp, and League Refund Policy are provided as an attachment to this report. The Policies seek to insure the highest level of customer satisfaction while ensuring an equitable, understandable and streamlined process for providing refunds and credits for programs, classes, camps and leagues.

Fiscal Impact
A positive impact on staff productivity and the budget is expected. It is anticipated refunds will decline and staff productivity, given the more streamlined procedures, will increase.

Subject: Proposed Enhancements to the Afterschool Youth Recreation Program

**Recommended Action**
Staff recommends the Parks and Recreation Commission review and provide input to staff on the proposed enhancements to the Afterschool Youth Recreation Program and proposed fee increases for the 2012-2013 School Year.

**Background/Discussion**
Historically, the Afterschool Youth Recreation Program (AYRP) was a free program, operating throughout the school year. The Program delivers services Monday through Friday, beginning immediately after students are released from school until 5:00 or 6:00 p.m., depending on the school. Current school sites are Panorama, Junipero Serra, MH Tobias and Daniel Webster Elementary Schools. As a result of the economic downturn and in an effort to reduce the City’s General Subsidy, in the fall 2010, the City began charging for the AYRP. Fees are $40 per month for Daly City residents and $80 per month for non-residents. Currently, the program provides a safe environment for youth to do their homework, have a snack, develop friendships and participate in recreational activities.

Staff proposes to enhance the Afterschool Youth Recreation Program by placing a greater focus on education and enrichment. The enhanced AYRP would be follow the format of the After School Education and Safety (ASES) Program, a grant funded program delivered by the Department of Library and Recreation Services in conjunction with community partners. The enhanced AYRP would also incorporate the principles of the recently approved Summer Youth Recreation Program. Through implementing the ASES program structure, the AYRP would consists of:

- A 1:20 staff to youth ratio;
- One hour of homework assistance;
- One hour of enrichment; and,
- One hour of nutrition and healthy play.
Parks and Recreation Commission  
Regular Meeting – March 27, 2012  
Proposed Enhancements to the Afterschool Youth Recreation Program

Additionally, the enhanced AYRP would incorporate use the philosophy of the Summer Youth Recreation Program which includes:

- The Six Pillars of Character (Trustworthiness, Respect, Responsibility, Fairness, Caring, and Citizenship) as the building blocks of the program; and,

- Infuse the core values of recreation (inclusivity, diversity of experience, lifelong learning, service to community, environmental stewardship, personal development, healthy lifestyles, professional growth, and fun and celebration) within the various components of the program and activities.

A typical day in the AYRP would consist of:

- **Jumpstart** - A game or activity would be delivered to participants intended to energize and wake up the senses and body after a long day in school;

- **Snack Program** - Leaders would provide an afternoon snack as part of the regular program and incorporate nutritional guidelines consistent with the school year ASES program. Additionally, the program would maintain its’ partnership with the “Soda Free Summer” mission;

- **Homework Assistance** – Staff would assist participants with their daily homework assignment, as well as, provide learning activities, additional worksheets, stories and readings;

- **Nutrition / Fitness Activity** – Staff would lead activities from stretching to fitness activities, such as cardio activities, and cooperative play games such as elbow tag and Rosh ambo revolution. Staff would promote the importance of daily exercise and healthy food options to increase energy levels. Participants, who sign up to participate in the City’s youth athletic programs, may have practice during the AYRP timeframe. Active Free Play or Positive Play would be another option to allow participants to explore a range of activities at their own pace. Staff would supervise all areas that the participants were allowed access;

- **Enrichment Activity** – Staff would lead various enrichment activities to provide students with diversity of experiences from Science, Technology, Engineering and Math (STEM) Program workshops to arts and crafts, gardening and creative writing. Kids Choice would be an option where the leaders would supervise areas of exploration play. Participants would create an activity and staff would be involved in some aspect of the programming. Staff would ensure all participants were engaged in the activities; and,

- **Cool Down** - A low energy, low impact activity, usually reviewing the day, bringing the group back together to calmly end the program day.

An example of a typical weekly program schedule is provided as an attachment to this report (Attachment No. 1).
Parks and Recreation Commission
Regular Meeting – March 27, 2012
Proposed Enhancements to the Afterschool Youth Recreation Program

Fiscal Impact
Currently, the Afterschool Youth Recreation Program is delivered at four school sites: Panorama, Junipero Serra, MH Tobias and Daniel Webster Elementary Schools. For the 2010/11 School Year, there were 2,072 AYRP registrations. Over 90% were Daly City residents. To continue to provide financial relief to the General Fund while still ensuring families throughout Daly City can afford to enroll their children in AYRP, the newly proposed fee for the 2012-2013 School Year would be $50 a month for Daly City residents and $62 a month for non-residents. This proposed program fees reflect, consistent with prior City Council action, a premium of 25% for non-residents. This would allow Junipero Serra to extend the operation hours of its program to a three hour per day program, consistent with the other AYRP sites. Staff also proposes to prorate the monthly charge to $25 per month for Daly City residents and $31 a month for non-residents for the months of August and December when the program only runs for half the month.

The summary below illustrates the anticipated 2012/13 School Year direct cost to deliver the program, based on an average of 60 program participants/week:

<table>
<thead>
<tr>
<th>Part-time Hourly Wages</th>
<th>$112,389.45</th>
</tr>
</thead>
<tbody>
<tr>
<td>Social Security (7.65%)</td>
<td>$8,597.79</td>
</tr>
<tr>
<td>Program Supplies</td>
<td>$15,000.00</td>
</tr>
<tr>
<td>Promotional Flyers and Office Supplies</td>
<td>$2,000.00</td>
</tr>
<tr>
<td>Total Estimated Program Cost</td>
<td>$137,987.24</td>
</tr>
</tbody>
</table>

Based on the proposed rates discussed above, it is anticipated the program would generate $105,750, an increase of $21,150 annually. The additional revenue attributed from the new fee would lower the General Fund subsidy level of this program by 40% from approximately $53,400 to approximately $32,200 annually.

Conclusion
Staff is pleased to present this enhanced Afterschool Youth Recreation Program for the Park and Recreation Commission’s review. Staff is available to provide any additional information desired by the Parks and Recreation Commission.
