# COMMUNITY ECONOMIC PROFILE

For

Daly City  
January 2003

Department of Economic & Community Development

**LOCATION:** Daly City is located in northern San Mateo County. Bounded by the City of San Francisco to the north, and the Pacific Ocean to the west, Daly City is known as the "Gateway to the Peninsula". The community lies just eight miles south of San Francisco's financial district, and the San Francisco International Airport is just nine miles southeast of Daly City.

Daly City is also directly linked to the East and South Bay Area. Oakland International Airport is located 20 miles to the east, and is accessible via the Bay Bridge or the San Mateo-Hayward Bridge. Silicon Valley and the San Jose metropolitan area are located 45 miles to the south, via Interstate 280.

**Population:** Daly City has experienced a significant increase in population over the last four decades, and, according to the US Census, has realized an increase of over 12% growth in population over the past ten years. According to the Calif. Dept. of Finance, population estimates as of 1/01/02 are 717,000 for San Mateo County and 104,400 for Daly City.

Daly City is the largest city in San Mateo County, and, according to the Association of Bay Area Governments (ABAG), is expected to retain this position through at least 2025. During this time, ABAG estimates that Daly City will be the third largest growth city in the county. *Source: ABAG, "Projections 2002", (12/2001).*

## Economic Growth & Trends:

Five-year history of taxable sales and labor force for Daly City and San Mateo County:

<b>Taxable Sales</b> (in thousands of dollars) – Source: State Board of Equalization						
	1997	1998	1999	2000	2001	Average % Growth/Yr.
County Sales:	\$10,733,816	\$11,035,003	\$12,130,051	\$14,044,016	\$12,859,589	4.6%
Daly City Sales:	\$618,971	\$648,603	\$651,913	\$698,541	\$688,875	2.7%
<b>Labor Force- Annual Reporting</b> – Source: CA EDD –Labor Market Information Division						
	1998	1999	2000	2001	2002	Average % Growth/Yr.
County Labor Force	394,000	398,300	411,300	419,300	404,000	.63%
Daly City Labor Force	54,790	55,290	57,020	58,320	56,550	.79%

Daly City is among the top 1/3 cities in the county with the highest taxable sales and enjoyed stable annual growth between 1996-2000. Due to the national and regional economic turnaround, Daly City suffered a retraction in taxable sales and labor force; however, the percentage decline was less than the County as a whole in both categories. Daly City also has a competitive labor force with nearly 75% of the City's population over the age of eighteen, and only 10% of the population retired. Over the last four years, Daly City's labor force has been growing modestly higher than the County.

## EMPLOYMENT:

Reflecting the continuing economic slow-down in the Bay Area, the unemployment rate has increased for the second year in Daly City. Daly City's current annual average unemployment is 5.8% compared to 4.5% for San Mateo County. Source: State Employment & Development Department.

### REAL ESTATE MARKET (ENDING 2002):

Although the San Mateo County office market remains weak, its decline is now showing some signs of stabilization. Vacancy rates are slowing their growth, and Daly City's Office vacancy rate actually decreased (due to the leasing success at Pacific Plaza). Although San Mateo County continued to experience *negative* net absorption (less occupied space now than previously), by year-end North San Mateo County had experienced a *positive* net absorption. Full service asking rents declined for Class A Office space with an average of \$2.31/s.f. in Daly City, \$2.04 in North San Mateo County and \$2.34/s.f. countywide. Space remained on the market for a longer time in 2002.

Office Vacancy:*	Ending 2002	2001	2000	1999	1998
North San Mateo County	24%	22.3%	3.7%	1.4%	6.15%

### NEW PROJECTS:

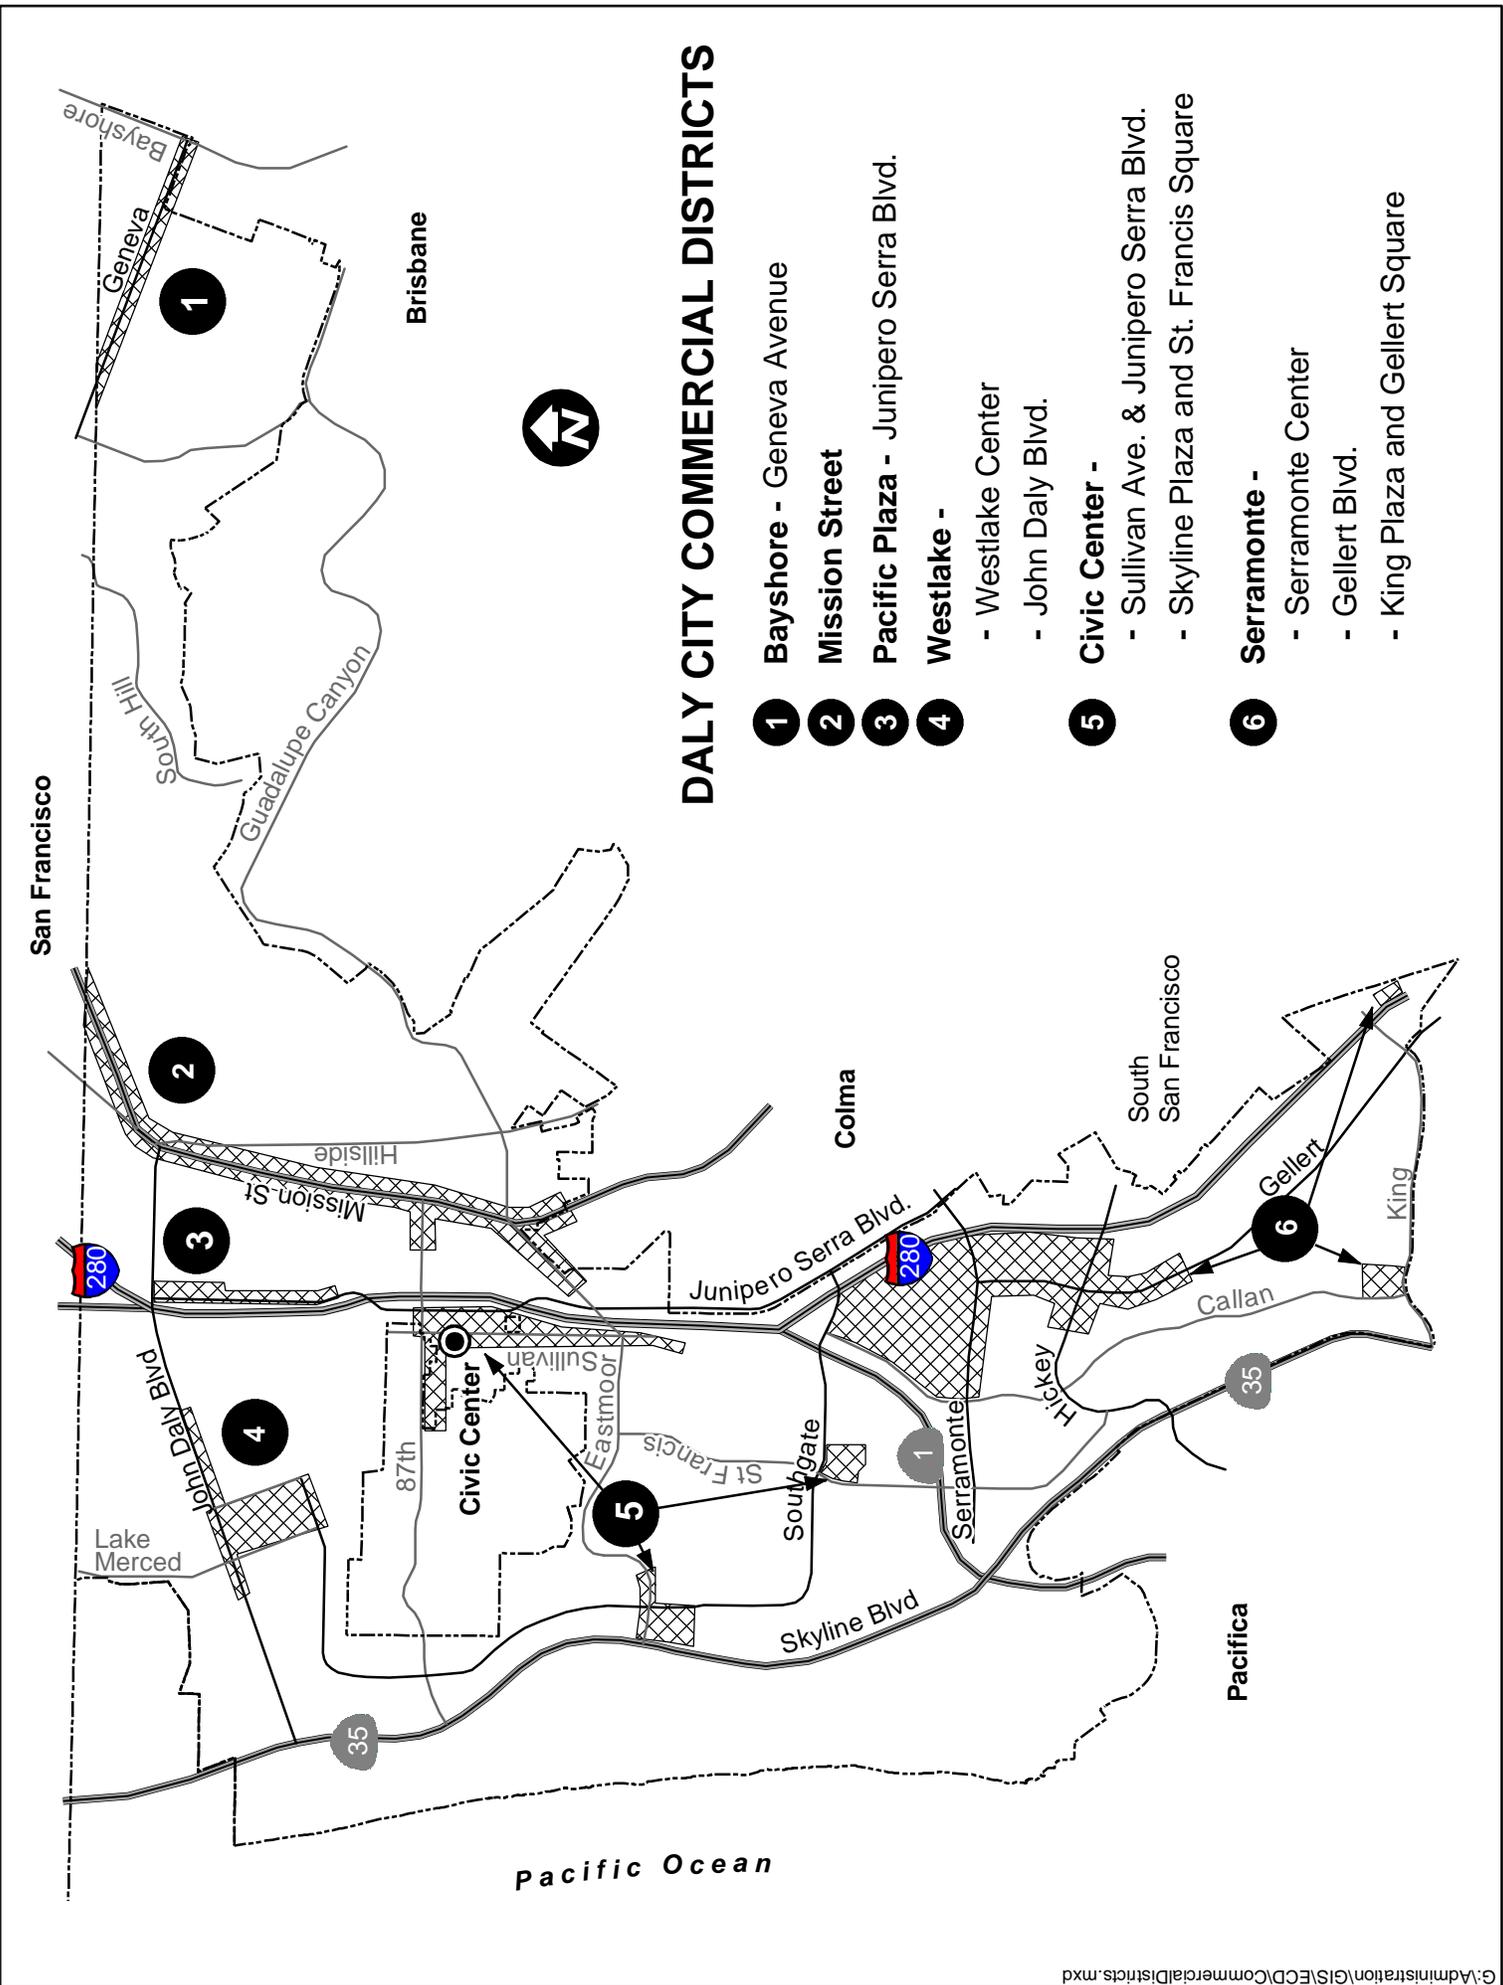

- **Pacific Plaza:** Located next to the Daly City BART station, Phase I was completed in late 2001 with 350,000 s.f. of office/retail space. Within a few months of opening, this project was 85% leased. This building is now 87% leased. A 20-screen Century Theater and several restaurants (Phase II) began operation last summer with the remaining restaurants to open in the first quarter of 2003.
- **Hampton Inn:** This new eighty-seven room limited service hotel opened for business in early 2002. It is located at 2700 Junipero Serra Blvd (site of the old Serra Theater).
- **Serramonte Corporate Center:** Located at Hickey Blvd. & I-280, this 130,000 s.f. medical office building is now under construction for Kaiser Permanente. Completion is estimated by February 2003.
- **87<sup>th</sup> Street Plaza:** Located at Edgeworth Ave., this 100,000± s.f. project will have office/retail space and professional self-storage. It will also be the home of Daly City's first **ACE Hardware** store. Project is under construction with completion estimated by spring 2003.

### City Finance & Taxes:

Retail Sales Tax: State: 6% County: 0.25% County Transit: 1% City: 1% TOTAL: 8.25%

Bond Rating: Moody's Investors Services Inc.: Aaa Standard & Poor's Corporation: AAA  
(Daly City has no significant outstanding public assessment bonds)

\* A major commercial brokerage firm provided office vacancy data. Retail vacancy rates are loosely approximated from different sources.
