COMMUNITY ECONOMIC PROFILE

For
Daly City
 February 2004

Department of Economic & Community Development

LOCATION: Daly City is located in northern San Mateo County. Bounded by the City of San Francisco to the north, and the Pacific Ocean to the west, Daly City is known as the “Gateway to the Peninsula”. The community lies just eight miles south of San Francisco’s financial district, and the San Francisco International Airport is just nine miles southeast of Daly City.

Daly City is also directly linked to the East and South Bay Area. Oakland International Airport is located 20 miles to the east, and is accessible via the Bay Bridge or the San Mateo-Hayward Bridge. Silicon Valley and the San Jose metropolitan area are located 45 miles to the south, via Interstate 280.

Population: Daly City has experienced a significant increase in population over the last four decades, and, according to the US Census, has realized an increase of over 12% growth in population over the past ten years. According to the Calif. Dept. of Finance, population estimates as of 1/01/03 are 717,000 for San Mateo County and 104,300 for Daly City.

Daly City is the largest city in San Mateo County, and, according to the Association of Bay Area Governments (ABAG), is expected to retain this position through at least 2025. During this time, ABAG estimates that Daly City will be the third largest growth city in the county. *Source: CA Dept. of Finance, (1/2003) & ABAG.*

Economic Growth & Trends:

Five-year history of taxable sales and labor force for Daly City and San Mateo County:

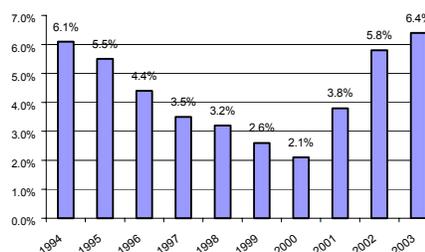

Taxable Sales (in thousands of dollars) – Source: State Board of Equalization						
	1998	1999	2000	2001	2002	Average % Growth/Yr.
County Sales:	\$11,035,003	\$12,130,051	\$14,044,016	\$12,859,589	\$11,614,809	1.3%
Daly City Sales:	\$648,603	\$651,913	\$698,541	\$688,875	\$718,448	2.6%
Labor Force- Annual Reporting – Source: CA EDD –Labor Market Information Division						
	1999	2000	2001	2002	2003	Average % Growth/Yr.
County Labor Force	398,300	400,400	395,500	382,700	381,192	-1.1%
Daly City Labor Force	55,290	55,530	55,060	53,620	53,363	-.9%

Daly City is among the top 1/3 cities in the county with the highest taxable sales and has enjoyed about double the county’s annual average growth in taxable sales with an average of 2.6%/year between 1998-2002. This demonstrates a fairly strong retail market in Daly City. Due to the current economic downturn, both the County and Daly City suffered a retraction in labor force from 2001-2003; however, the percentage decline over the last four years is less than the County’s average. Daly City also has a competitive labor force with nearly 75% of the City’s population over the age of eighteen, and only 10% of the population retired.

EMPLOYMENT:

Reflecting the continuing economic slow-down in the Bay Area, the unemployment rate has increased for the third year in Daly City. Daly City's current annual average unemployment is 6.4% compared to 5% for San Mateo County. *Source: State Employment & Development Department.*

REAL ESTATE MARKET (ENDING 2003):

The San Mateo County office market remains weak. However, Daly City fared much better than other San Mateo County Markets with a 4th qtr. vacancy rate of 16.6%, compared to over 30% in other areas of the County. Full service asking rents show further decline over the last year with Class A Office space averaging \$2.16/s.f. in Daly City and \$2.13/s.f. countywide. Net absorption in North San Mateo County moved from positive to negative (less occupied space now than previously) for the year. In 2003, some significant tenants left Daly City, notably International Paper, Peppermill and Lyon's Restaurants. As of 2/2004, both the latter properties had pending leases.

NEW PROJECTS:

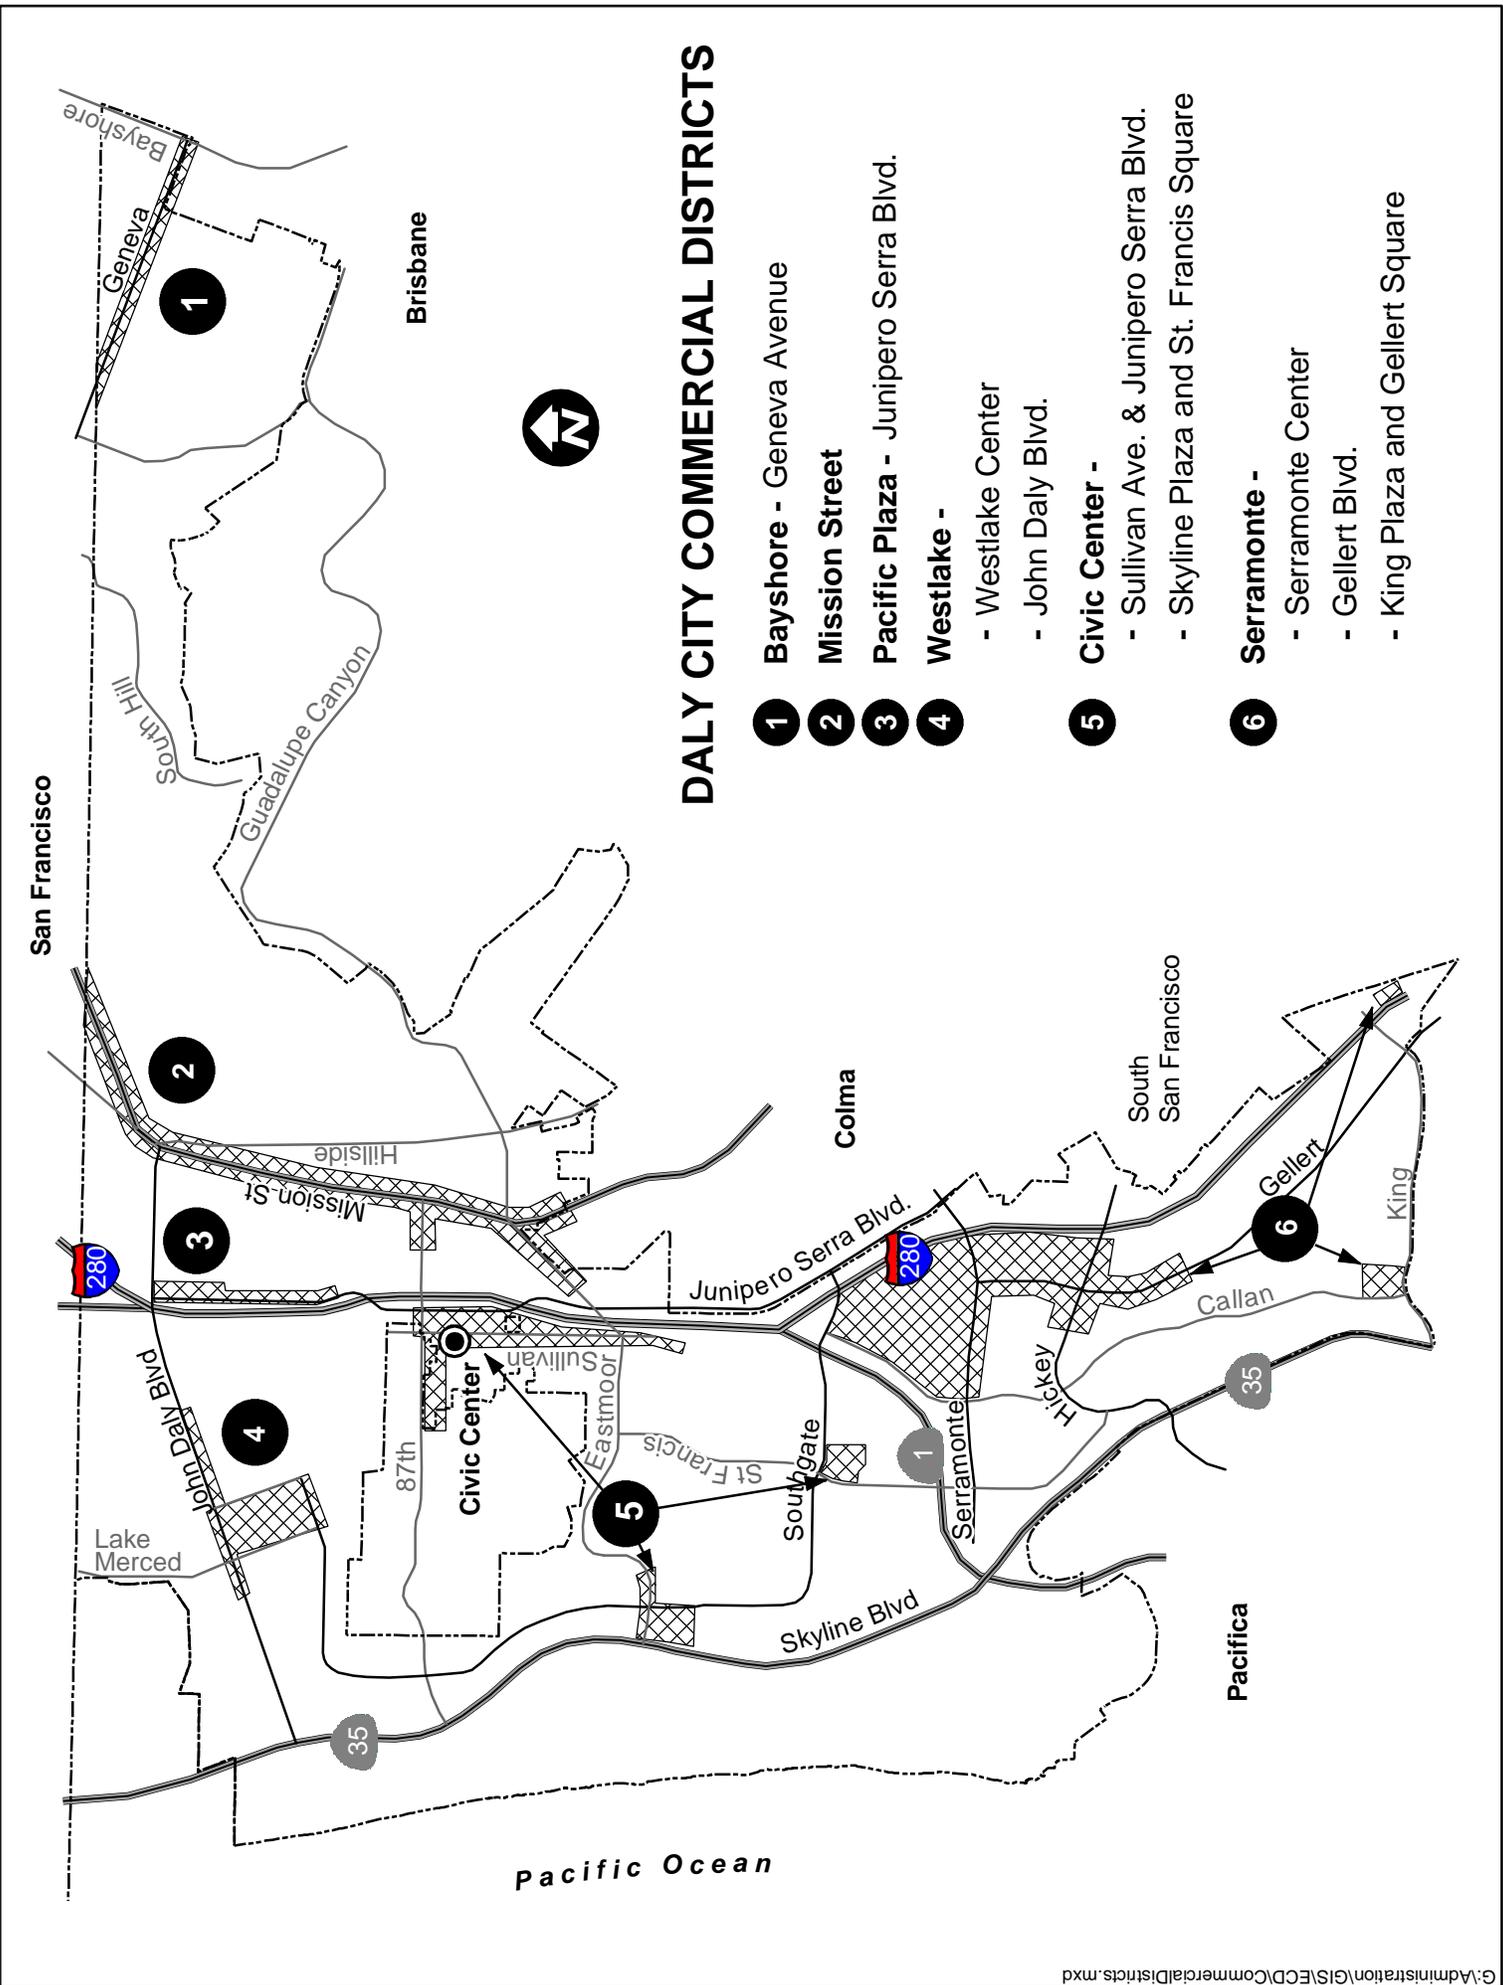

- **Pacific Plaza:** Located by the Daly City BART station, 350,000 s.f. of Class A office & retail space (Phase I) is now 93% leased; this is very quick absorption in this market. The 20-screen Century Theatre (Phase II) opened a year earlier and is now a Bay Area top performer in ticket sales.
- **Serramonte Corporate Center:** Located at Hickey Blvd. & I-280, this 130,000 s.f. medical office building is the new home of Kaiser Permanente. This building was completed in the fall of 2003.
- **87th Street Plaza:** This 100,000± s.f. project was completed in 2003 and has office/retail space as well as professional self-storage. It is also the home of Daly City's first **ACE Hardware** store.
- **Westlake and Serramonte Shopping Centers:** Both of these regional shopping centers undertook major renovation/expansion programs. Westlake is negotiating with several national tenants to redevelop and occupy space at the center. At Serramonte, attractive interior improvements were completed.

City Finance & Taxes:
