COMMUNITY ECONOMIC PROFILE

For
Daly City
 January 2007

Department of Economic & Community Development

LOCATION: Known as the “Gateway to the Peninsula”, Daly City is central to major growth areas of San Francisco and San Mateo counties and features excellent transportation infrastructure linking San Francisco’s financial district (eight miles north), the San Francisco International Airport (nine miles southeast and 15 minutes via BART) and Silicon Valley further south. Daly City is also directly linked to the East and South Bay Area. The Oakland International Airport is located 20 miles to the east.

Because of its central location, excellent transportation links and growing young and productive labor force, Daly City has become a regional hub for retail, healthcare and business development.

POPULATION: Daly City has experienced a significant increase in population over the last four decades, and, according to the California Dept. of Finance, has realized an increase of 1.2% growth in population over the past six years compared to 2.4% for the county. Population estimates as of 1/01/06 are 724,104 for San Mateo County and 104,820 for Daly City (next annual update 5/07).

Daly City is the largest city in San Mateo County and, according to the Association of Bay Area Governments (ABAG), is expected to retain this position through at least 2030. During this time, ABAG estimates that Daly City will be in the upper 50% of the largest growth cities in the county. *Source: ABAG, Projections 2007.*

ECONOMIC GROWTH & TRENDS:

Five-year history of taxable sales and labor force for Daly City and San Mateo County:

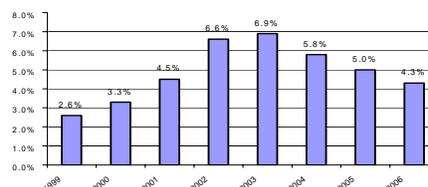

Taxable Sales (in thousands of dollars) – Source: State Board of Equalization						
	2001	2002	2003	2004	2005 (most current)	Average % Change/Yr.
County Sales:	\$12,859,589	\$11,614,809	\$11,358,439	\$11,808,074	\$12,451,350	- 0.8%
Daly City Sales:	\$688,875	\$718,448	\$733,154	\$751,322	\$785,226	3.3%
Labor Force- Annual Average Reporting – Source: CA EDD –Labor Market Information Division						
	2002	2003	2004	2005	2006	Average % Change/Yr.
County Labor Force	379,500	369,900	364,500	363,800	364,200	- 1.0%
Daly City Labor Force	53,900	52,600	51,700	51,600	51,580	- 1.1%

Daly City has among the strongest retail sales of all cities in the county with average annual growth over 3% compared to a negative 1% +/- for the county. This clearly demonstrates a strong retail market in Daly City. Due to the past economic downturn, both the County and Daly City suffered a retraction in labor force from 2002-2006. However, the changes in the last two years appear to be leveling in both areas, which bodes some improvement in the economy. Daly City also has a competitive labor force with 78% of the City’s population over the age of eighteen, only 12% of the population retired and a median age of 35.

EMPLOYMENT:

Preliminary numbers for 2006 show a continuing downtrend in Daly City's unemployment rate. This is an improvement from the three previous years. Daly City's current unemployment is 4.3% compared to 3.7% for San Mateo County and 4.8% for the state (annual averages). *Source: CA EDD.*

REAL ESTATE MARKET (SPRING 2007):

The San Mateo County commercial real estate market has improved significantly, and Daly City's office market has remained strong with a year-end vacancy rate of 5.6%, compared to nearly 14.7% countywide. Daly City's full-service, Class A asking rents increased modestly from \$2.23 to \$2.47 in the last year, compared to countywide, which saw a nearly equal increase, from \$2.10 to \$2.45. Annual net absorption for the county continued a positive trend (more occupied space now than previously). In early 2007, Daly City's retail market became tight with an all-time low vacancy rate of approximately 1.8% (lower than several cities in the County). Countywide retail supply increased with the upgrading of Westlake, the reopening of Tanforan and numerous mixed-use infill projects. In Daly City, little space is available and expansion space at Westlake and Serramonte has essentially been pre-leased. Major vacancies along Mission Street, former Linen Outlet and Western Christian Book Store, were leased to different "Dollar Store"-style operators.
