

NAME: Daneca Halvorson

OCCUPATION: City Treasurer

EDUCATION & QUALIFICATIONS:

I am honored to be running for the office of City Treasurer. Your Treasurer is responsible for investing our city funds with the goal of maximizing investment income, while protecting the principal investment from loss. In today's challenging economic climate, our city needs an experienced Treasurer with a proven commitment to our city's fiscal responsibility.

For the past six years I have proudly served as Daly City's Treasurer and prior to that, ten years as Deputy City Treasurer. I have continually demonstrated the ability to make practical decisions when it comes to the financial management of our tax dollars as is evidenced by the continual growth of our city's portfolio year over year. Because stability is an important component when navigating through challenging financial times, I strongly believe that I am the most capable candidate to represent your interests.

Due to the high responsibility of this office, I believe in being accessible and accountable to the residents. Your concerns and issues are important to me. My pertinent professional affiliations include: Association of Public Treasurers of the United States and Canada, California Municipal Treasurers Association, and the San Mateo County Treasury Oversight Committee (Chair).

I would sincerely appreciate your vote.
