

City of Daly City

Candidates for the Office of Member of the City Council

SHAKEEL ALI

Occupation: Board Trustee/Teacher

Education and Qualifications:

I'm a 40-year Daly City resident and the city's first council candidate raised in Midway Village. As the Governing Board President of the Jefferson Elementary School District and a decade-long elected Board Trustee, I've proven I can make changes. I co-authored Measure I, providing deeply needed funds to repair and update schools, and I campaigned for Measure U to fund affordable housing for teachers. I'll bring the same level of successful leadership on the city council.

I'm a proud father, and three of my children graduated from Daly City public schools. As a 30-year veteran teacher, my passion and integrity has earned the trust of the Daly City community.

We live in a time of gentrification, Covid-19, and social change. Daly City needs an experienced visionary leader, and I'm ready to fight for government transparency, a stronger social safety net, and just community development. Daly City residents have the solutions to our problems, and I want to lead collaboratively with the community to strengthen our city.

It's time Daly City votes in leadership for the people. Vote Ali on Nov 3, 2020!

Endorsements: CA State Treasurer Fiona Ma & JESD Trustee Manufou Liaiga-Anoa'i

GLENN R. SYLVESTER

Occupation: Daly City Council Member

Education and Qualifications:

The past 4 years as your elected Council Member has been filled with Rewards and Challenges.

My previous campaign promises, we've accomplished the follows:

Public Safety: Staffing increases have insured retention of our Police & Fire personnel

Affordable Housing: Below Market Rate Homes, Affordable homes, and senior housing throughout our city.

Maintenance of City Budget: Prior Structural Deficit caused us to find additional funds to augment our budget for less impact

Senior Advocacy: Daly City approved and accepted as an "Age Friendly City" by AARP

The Challenges we face today include the current Covid-19 pandemic and the "Black Lives Matter Movement"

Amidst these challenges, Daly City has remained resilient, acknowledges it's very diverse culture(s). We have hired a NEW City Manager who believes in the same.

It is imperative that we continue to work together

My top priorities remain the same as follows:

Public Safety, Affordable Housing, Maintenance of our City Budget and insuring equality and fairness for everyone.

I love Daly City as much as you, and would like to have your vote to continue the great work for our community.

Please feel free to reach out to me.
