## SERVICE CHANGES FOR MAINTENANCE WORK 24<sup>th</sup> STREET to DALY CITY STATION FRIDAY NIGHT THROUGH MONDAY MORNING 1/09 – 1/12

Dear BART Customers:

Beginning Friday, January 9 through Monday, January 12, a variety of BART crews will mobilize at the Daly City Station to work continuously through the weekend. Work will start on Friday, January 9 at 11:00pm and will continue through to Monday, January 12 at 3:30am before the start of passenger service. Expect delays of 10 to 15 minutes.

Crews will complete a large list of repairs and improvements from mechanical, electrical, structural and grounds work to improve the station facility and grounds. The grounds work will include tree trimming to prevent debris from falling on the trackway during high winds.

To keep delays to a minimum this weekend, we will only operate one service between 24<sup>th</sup> Street Station and Daly City Station. Yellow Line--Pittsburg/Bay Point and SFO/Millbrae trains--will operate on their regular Saturday/Sunday schedule with minor delays.

On Saturday Blue and Green Line--Dublin/Pleasanton and Fremont trains--that normally go to Daly City Station will stop at 24<sup>th</sup> Street Station. On Sunday Blue Line Dublin/Pleasanton trains will stop at 24<sup>th</sup> Street Station.

Service between Daly City and 24<sup>th</sup> Street will be provided by one (1) train every 20 minutes instead of three (3) on Saturday and two (2) on Sunday.

Dublin/Pleasanton and Fremont line passengers travelling to and from Glen Park, Balboa Park and Daly City will need to transfer to the Pittsburg/Bay Point line trains at 24<sup>th</sup> Street Station.

On Saturday, Red-line service between Richmond and Daly City will end at Montgomery Station. Passengers travelling beyond Montgomery Station will need to transfer to the Pittsburg/Bay Point line.

Thank you for your patience.
