

MISSION STATEMENT

The City of Daly City is committed to addressing the diverse and changing needs of residents, businesses and employees. It will accomplish its mission through the efficient delivery of quality municipal services provided with a human touch.

To this end, the City will strive to:

- Assure the safety and general well-being of the community;
- Preserve, improve and develop the physical and aesthetic aspects of the community;
- Encourage the economic health, balance and stability of the community;
- Provide recreational, cultural, social and educational opportunities for residents to enhance their quality of life;
- Develop and maintain a highly capable workforce
