

# Peninsula SunShares

## Solar. Simple. Together.

We're celebrating the summer solstice and would like to invite you to a workshop that will help residents go solar together.

Saturday, June 20th  
9:30 am - 12:00 pm  
San Carlos Library, 2nd Fl.  
610 Elm Street, San Carlos

- Learn about the basics of solar and how you can save on your utility bill for years to come
- Meet with the programs selected solar installers
- Learn more about the discounted pricing and range of financing options
- Check out demonstrations

In the last two months more than 515 residents have signed-up for the Peninsula SunShares program with over 50 contracts in process. Nice work!

Due to overwhelming interest in Peninsula SunShares, we are excited to share that the registration deadline has been extended to July 31, 2015.

What is Peninsula SunShares? Thirteen neighboring cities throughout San Mateo County and Palo Alto have partnered to launch a solar group purchase (bulk-buy) program for homeowners.

Peninsula SunShares pools the power of individual participants to get more competitive pricing from solar companies - with an additional incentive that provides even better savings as more people contract for solar on their homes.

Research shows that people who know somebody with solar, make the choice to go solar themselves 3 times quicker. So, by bringing homeowners together through Peninsula SunShares, you can help the City and neighboring cities throughout San Mateo County build a huge solar community - faster.

Please help spread the word to your friends and neighbors. Let's #putsolaronit this summer!

For more information or to sign-up visit:

[www.mygroupenergy.com/peninsula](http://www.mygroupenergy.com/peninsula)

#### Participating Partners:

San Mateo County and the cities of Belmont, Brisbane, Burlingame, Daly City, East Palo Alto, Foster City, Menlo Park, Millbrae, Palo Alto, Portola Valley, Redwood City and San Carlos
