

Join the County of San Mateo's RecycleWorks Volunteer Academy (RVA) in a series of no-cost webinars and workshops related to sustainability and resource conservation! Our workshops are interactive and hands-on, and our webinars are great foundational resources for building your sustainability expertise. All workshops and webinars are taught by experts in the field and are great ways to network with others like you who are passionate about sustainability.

You must be 14 years or older to participate, and a resident, business owner, employee, or student within San Mateo County.

Resource Conservation 101

Introductory Webinar
Thursday March 3, 2016
11am to 1pm

Register: www.recycleworks.org/sustainability/rva_resource_101.html

Learn about water, energy, and solid waste management in San Mateo County, and what you can do to conserve these resources. *This is the final introductory webinar for this program year.*

Sustainable Transportation: 3-Part Series

- ✓ Webinar #1: Transportation 101
Thursday March 10, 2016 12pm to 1pm
- ✓ Webinar #2: Active Transportation
Thursday April 7, 2016 12pm to 1pm
- ✓ Bike-to-Shop Day Community Event
Saturday May 21, 2016 Time: TBD

Learn how transportation decisions affect our communities and how individual actions can make a big difference leading to big benefits. Then apply what you learn about sustainable transportation by helping with Bike-to-Shop Day. Improve the local economy, your health, start a new life trend, and have fun at this event!

Five hours of volunteer commitment is required for participation in this 3-Part Sustainable Transportation Series.

Register for the 3-Part Series: http://www.recycleworks.org/sustainability/rva_transportation.html

For additional information: <http://www.recycleworks.org/sustainability/rva.html>

or contact Eun-Soo Lim, RecycleWorks Coordinator, at RecycleWorks@smcgov.org or 1-888-442-2666.

This no-cost educational program is made available through the County of San Mateo.
