## 1.1 PURPOSE OF THE ENVIRONMENTAL IMPACT REPORT

This document provides responses to comments received on the Draft Environmental Impact Report (Draft EIR) for the proposed Serramonte Shopping Center Expansion Project. The Draft EIR identified significant impacts associated with the proposed Project, and examined alternatives and recommended mitigation measures that could avoid or reduce potential impacts.

This document, together with the Draft EIR, will constitute the Final EIR if the Daly City City Council certifies it as complete and adequate under the California Environmental Quality Act (CEQA).

## 1.2 ENVIRONMENTAL REVIEW PROCESS

According to CEQA, lead agencies are required to consult with public agencies having jurisdiction over a proposed project, and to provide the general public with an opportunity to comment on the Draft EIR. This Final EIR has been prepared to respond to comments received on the Draft EIR. A Notice of Preparation of an EIR was issued by the City on May 9, 2014 for a required 30-day review period. The Draft EIR was made available for public review from Friday, March 20, 2015 through Tuesday, May 5, 2015. The Draft EIR was distributed to local, regional, and State agencies and the general public was advised of the availability of the Draft EIR. Copies of the Draft EIR were made available for review to interested parties at:

- City of Daly City – City Hall at 333 90<sup>th</sup> Street, Daly City, CA 94015
- Serramonte Main Library, 40 Wembley Drive, Daly City, CA 94015
- The City's website at <http://www.dalycity.org/sscdeir>.

The 45-day public comment period ended on May 5, 2015. Copies of all written comments received on the Draft EIR are contained in this document. These comments and responses to these comments are laid out in Chapter 5, Comments and Responses, of this Final EIR.

This Final EIR will be presented at a Planning Commission hearing at which the Commission will advise the City Council on certification of the EIR as a full disclosure of potential impacts, mitigation measures, and alternatives.

However, the Planning Commission will not take final action on the EIR or the proposed Project. Instead, the City Council will consider the Planning Commission's recommendations on the Final EIR and the proposed Project during a noticed public hearing, and will make the final action with regard to certification of the Final EIR. The City Council is currently scheduled to certify the Final EIR at a public hearing in June 2015.
