There shall be no discrimination against any disabled person solely because of such disability unless that disability prevents the person from performing the essential duties established for the position for which he/she is applying.
ARTICLE III – UNION SECURITY/AGENCY SHOP

A. Payroll Deduction

The Union may have the regular dues of its members within a bargaining unit deducted from employees' paychecks under procedures prescribed by the City for such deductions. Dues deduction shall be made only upon signed authorization from the employee upon a form furnished by the City, and shall continue (1) until such authorization is revoked, in writing, by the employee; or (2) until the transfer of the employee to a unit represented by another employee organization. The Human Resources Department and the Finance Department will work to provide that dues deductions are promptly terminated when an employee transfers out of union representation through a change in classification or status. Employees may authorize dues deductions only for the organization certified as the recognized employee organization of the unit to which such employees are assigned.

Agency Shop

Consistent with the provisions of the California Government Code, Section 3502.5, an employee covered by this agreement shall either: (1) become a member of the Union and pay regular Union dues, or (2) pay to the Union an agency (representation) fee as permitted by law, or (3) present to the Union and the City’s Human Resources Director a written declaration that he or she is a member of a bona fide religion, body, or sect that has historically held conscientious objections to joining or financially supporting public employee organizations. The employee who qualifies for this exemption shall, in lieu of dues or agency shop fees payment, pay an amount equal to the agency shop fees to one of the following non-religious, non-labor charitable organizations listed below:

(a) Gardner Family Health Network, Inc., Alviso, CA;
(b) Sequoia Hospital Foundation, Redwood City, CA or
(c) Community Gate Path Boys & Girls Clubs of North San Mateo County, South San Francisco, CA.

An employee who claims such exemption must submit to the Union and to the City a letter signed by an official of the bona fide religious body certifying that person’s membership.

Proof of the payments shall be made on a monthly basis to the Human Resources Director as a condition of continued exemption from the requirement of financial support to the public employee organization.

If the employee fails to provide such proof, the employee will be required to pay the agency fee.

Fee Deduction

If any employee in a classification covered by this MOU fails to authorize one of the above deductions within thirty (30) calendar days of date of hire or within thirty (30)
calendar days’ notice of the provisions of this agency shop, the City shall deduct the agency fee from the employee’s paycheck. The City shall determine the timing of such automatic deductions. The requirement that employees who are not members of the Union pay this representation agency fee shall remain in effect until the earlier of: (1) expiration of this Agreement; (2) termination of the Agency Shop clause by action of the bargaining unit; or (3) legislation invalidating the manner in which Agency Shop was adopted. In the event that employees in the representation unit vote to rescind Agency Shop, the provisions of Maintenance of Membership, shall apply to dues-paying members of the Union.

Maintenance of Membership

All employees who are members of AFSCME and who are tendering periodic dues through dues deductions from their paycheck, and all employees who become members of AFSCME and who tender periodic dues through dues deductions from their paycheck, shall continue to pay dues for the duration of this MOU and each subsequent MOU thereafter.

For a period of thirty (30) calendar days prior to the expiration of the current MOU, any employee who is a member of AFSCME shall have the right to withdraw from the Union by discontinuing dues deduction. Said withdrawal shall be communicated by the employee during that period of time in writing to the Union and the Human Resources Director; such written communication shall be delivered by certified mail and must be postmarked during the thirty (30) calendar day period. An employee who so withdraws from Union membership shall still be subject to the provisions of Agency Shop.

Payroll Deduction

The Union may have the regular dues of its members within the representation unit deducted from employees’ paychecks under procedures prescribed by the City for such deductions. Dues deductions shall be made only upon signed authorization from the employee upon a form furnished by AFSCME and distributed by the City, and shall continue until: (1) such authorization is revoked, in writing, by the employee pursuant to the provisions of this payroll deduction; or (2) the transfer of the employee out of the representation unit.

The Union shall notify the City at least thirty (30) days in advance of any change in its dues and fees.

Employees may authorize dues deductions only for the organization certified as the recognized employee organization of the unit to which the employees are assigned. If, after all other involuntary and insurance premium deductions are made in any pay period, the balance is not sufficient to pay the deduction of Union dues, agency fee, or charity fee required by this Section, no such deduction shall be made for the current pay period.
The provisions of Section Agency Fee above shall not apply during periods that an employee is separated from the representation unit, but shall be reinstated upon the return of the employee to the representation unit. For the purpose of this section, the term separation includes transfer out of the representation unit, layoff, and leave of absence without pay.

**AFSCME PEOPLE**

Employees may voluntarily elect to have contributions deducted through payroll at a minimum of two dollars ($2.00) per month, deducted from their pay checks under the procedures prescribed by the City for the Public Employees Organized to Promote Legislative Equality Fund (PEOPLE of AFSCME). A. Personnel Board Appeal Hearing

1. If, within the five (5) day appeal period, the employee involved does not file an appeal, unless good cause for failure is shown, the action of the City Manager or Department Head shall be considered final and binding.

2. If, within the five (5) day appeal period the employee files an appeal as specified in the Letter of Disciplinary Action by sending a letter to the City Manager and copy to the Director of Human Resources, the City Manager shall instruct the Director of Human Resources to request the Personnel Board set an appeal hearing.

3. At its next regular or special meeting, the Personnel Board shall set a hearing date which shall not be more than sixty (60) days from the date of the filing of the employee’s appeal. All interested parties shall be notified in writing of the date, time and place of the hearing at least ten (10) days prior to the date of the hearing.

4. All hearings shall be open unless the employee requests a closed hearing.

5. The Chairperson of the Personnel Board shall issue subpoenas at the request of either the City or the appealing employee prior to the commencement of the hearing. Subpoenas must be served at least twenty-four (24) hours prior to the time attendance is compelled.

6. The hearing need not be conducted according to technical rules relating to evidence and witnesses, except hereinafter provided. Any relevant evidence shall be admitted if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rules which might make improper the admission of the evidence over objection in civil actions. Hearsay evidence may be used for the purpose of supplementing or explaining other evidence, but shall not be sufficient in its self to support a finding unless it would be admissible over objection in civil actions. The rules of privilege shall be effective to the extent that they are otherwise required by statute to be recognized at the hearing, and irrelevant and unduly repetitious evidence shall be excluded.

7. The Chairperson of the Personnel Board shall rule on the admission or exclusion of evidence.

8. Each party shall have these rights:
a. To be represented by legal counsel or other person of the party’s choice
b. To call and examine witnesses
c. To introduce evidence
d. To cross examine opposing witnesses on any matter relevant to the issues
e. To impeach any witness regardless of which party first called the witness to testify
f. To rebut the evidence against them

9. Oral evidence shall be taken only under Oath.

10. The hearing shall proceed in the following order unless the Chairperson, for special reason, otherwise directs:
   a. The City shall be permitted to make an opening statement.
   b. The employee shall be permitted to make an opening statement.
   c. The City shall present its case in chief.
   d. The employee may then present a defense and offer evidence in support.
   e. The parties may then, in order respectively, offer rebutting evidence, unless the Chairperson of the Board for good reason permits them to offer evidence upon their original case
   f. Closing arguments or briefs shall be permitted at the discretion of the Chairperson of the Personnel Board.

11. The Personnel Board shall determine the relevance, weight and credibility of testimony and evidence and shall base their findings on the preponderance of evidence.

12. The Personnel Board shall render its “Findings, Recommendations and Conclusions” as soon as possible after the conclusion of the hearing and no later than ten (10) days after conducting the hearing unless otherwise stipulated by the parties. The Board’s Decision shall set forth the recommendations as to each of the charges and the reasons therefore.

13. The Personnel Board may recommend to the City Council the sustaining or rejecting of any or all of the charges filed against the employee. The Board may recommend sustaining, rejecting, or modifying the disciplinary action invoked against the employee.

B. City Council Appeal Hearing

The decision of the Personnel Board is advisory only. The proposed decision shall be filed with City Council and served on the employee. If a suspension, dismissal or demotion is not sustained by the City Council, they shall set forth the recommended effective date the employee is to be reinstated, which may be any time on or after the date the disciplinary action went into effect. If the Council does not sustain or modifies a suspension, they shall
set forth the effective dates of the modification, which may be any time on or after the date the suspension went into effect.

The matter is set before City Council at the next scheduled meeting that falls more than five days from the filing of the proposed decision. The City Council hearing shall be open unless the employee requests a closed hearing. The hearing shall consist of summary arguments by the City’s representative and the employee’s representative.

The City Council may recess to Closed Session to deliberate after the presentation of the summary arguments. The City Council announces in Public Session its determination; it may affirm, deny, or modify the Personnel Board’s recommendation. The determination of the City Council is final and binding.
