

DALY CITY PUBLIC LIBRARY
POLICY 9: EXHIBITS, DISPLAYS AND BULLETIN BOARD

The staff of the Daly City Public Library has the sole responsibility for selecting, developing, scheduling and placing displays and public notices in the library exhibit cases and on bulletin boards. Staff selects materials that meet the Library's mission of providing and promoting access to materials and services that support the needs for self-education, information, culture and recreation in our diverse community.

In developing or selecting exhibits and selecting bulletin board items, staff will endeavor to present a broad spectrum of information and a variety of viewpoints. The Library does not endorse the beliefs or viewpoints of the topics that may be the subject of library exhibits or bulletin board postings.

The Library does not allow the posting of personal advertisements, items for sale, religious material, or political candidate or proposition materials.

Individuals or organizations wishing to suggest exhibits or to have items posted on library bulletin boards must present all materials to Library staff for review. Only staff is authorized to select and display or post materials for Library exhibit cases, displays or bulletin boards.
