### Notable Cases

On Monday, 08-25-14 at 2:55 p.m. Officer Christopher Collins and Officer Sean Begley were dispatched to the intersection of Werner Avenue and West Market Street on a report of a male with a machete in his hand who was yelling. The reporting party said he saw the male holding a machete who told him that he was mad at one of his neighbors. The reporting party said once the subject saw the patrol vehicle approaching, the subject then put the machete in a car. The subject, a 41-year old Daly City resident, was eventually placed on a 72-hour hold for being a danger to others. Once he was released from the hospital, he was booked on charges of criminal threats, threatening a police officer, brandishing of a deadly weapon, and for committing a felony while out on bail.

On Monday, 08-25-14, at 11:40 p.m., Officer Benjamin Wagon was on Bryant Street near Washington Street as he drove past a vehicle with a subject inside who attempted to hide from him as he drove by. Officer Wagon conducted a license plate check and found it belonged to a Jeep, yet the vehicle that he was looking at was a Ford. Officer Wagon noticed a strong odor of marijuana coming from the vehicle. Officer Wagon asked the subject if he had a medical marijuana card, and the subject replied that he did. The subject consented to the officer's request to search his vehicle. The 21-year old Daly City resident was found to be in possession of marijuana packaged for sales and prescription pills without a prescription. On Friday, 08-29-14 at 8:52 p.m., Officer Karen Douglas stopped a bicyclist for not having a light on the rear of his bike on Serramonte Boulevard near Gellert Boulevard. The subject, a 27-year old San Francisco resident, was on probation for possession of a controlled substance. Officer Douglas asked the subject if he had anything illegal on him, and he said he did not. The officer asked if she could search the subject's backpack, and he said he had a BB gun inside the backpack. Inside the backpack was a clear baggie with a white powdery substance in it, a

canister labeled “pepper spray” and a replica firearm that did not have an orange tip to distinguish it as a replica firearm. The subject admitted to using heroin five to six times a day. The subject was then arrested for possession of pepper spray, possession of an imitation firearm with altered markings and for possession of drug paraphernalia.

On Friday, 08-29-14 at 11:07 p.m., Officer Taylor Johnson conducted a traffic stop at Warwick Street and Morton Drive. The driver admitted he had a suspended license. Officer Johnson noticed that the driver, a 33-year old Daly City resident, was exhibiting traits of being under the influence. The subject had been arrested numerous times before for sales of methamphetamine. The officer asked the subject if he had anything illegal in his vehicle, and the subject replied no and consented to a search. With the assistance of K-9 “Utah”, a large quantity of methamphetamine was found in the vehicle. The subject was arrested for possession of controlled substance for sales, transporting a controlled substance with the intent to sell and for driving on a suspended license.

The bartender was cited for serving to minors.

The reporting party chased the subject to Whittier Street and Hanover Street where he had him detained. Officers searched the subject, a 34-year old San Francisco resident, and found a “shaved” key, as well as a small bag containing suspected methamphetamine. When the officer returned to the vehicle, she found a large pair of scissors with one of the blades jammed into the ignition. The subject was arrested for auto burglary, attempted auto theft, possession of methamphetamine, possession of burglary tools and for two outstanding warrants.

On Sunday, 08-31-14 at 7:55 p.m., Sergeant Eddie Klier overheard radio traffic regarding a subject who said he was recently the victim of an attempted robbery. He saw a vehicle matching the suspect vehicle description and conducted a traffic stop at Westridge Drive and Highway 35. The driver displayed signs of being under the influence of an alcoholic beverage. Officer Garrett McKenzie arrived to cover Sergeant Klier and asked the driver if he had anything illegal in his possession, and the driver, a 33-year old Rohnert Park resident, said he had a methamphetamine pipe in his pocket. ## Scams/Other

### “Car Loan Scam”

This recently occurred in Mountain View, but it could occur here. A victim received a text message claiming his \$10,000 car loan had been approved. The victim called the number and spoke with an unknown subject who identified himself as “John Walker” with “USA Cash Network”. “Mr. Walker” requested the victim send \$850 via a MoneyPak card to receive the loan

electronically. Believing the subject worked for a third party vendor of the San Mateo Credit Union, the victim loaded the MoneyPak cards and provided the subject with the authorization numbers. However, when additional fees were required, the victim contacted the credit union and learned they do not work with "USA Cash Network" or any third party banks on loan issues.
