### Notable Cases

Early on Tuesday 06-29-15 at about 2:20 a.m., one of our officers spotted an adult mountain lion running across **Callan Boulevard** and onto the wooded hillside on the west side of **Callan Boulevard** between **Southgate Avenue** and **Clarinada Avenue**. The Department of Fish and Wildlife responded to the area, however as of 6:00 that morning, officers were not able to locate the mountain lion. Since that time, we have not received any reports of mountain lion sightings. The Daly City Police Department will do everything possible to ensure the safety of our community during a potential mountain lion sighting and will also take every reasonable precaution necessary to protect the animal as well. Although mountain lion attacks on humans are extremely rare, we recognize that these sightings can be concerning to our neighbors and thus, we will keep the community informed of any additional confirmed sightings or developments of this nature. In light of the severe drought here in California, according to the Department of Fish and Wildlife, sightings such as this have become more frequent as deer have begun to venture down from their usual surroundings in search of food and water and thus, the mountain lions have followed.

On Thursday, 07-02-15 at 1:44 a.m., Officer Joshua Moala noticed a vehicle in front of him with expired registration at **Washington Street and San Pedro Avenue**. He stopped the vehicle on northbound 280 near the John Daly Boulevard off-ramp. The driver, a 58 year old San Francisco resident, was subsequently arrested for possession of methamphetamine, possession of heroin and driving with a suspended license.

On Friday, 07-03-15 at 3:51 a.m., Officer Jerel Tualualelei contacted a subject he saw looking into windows of an apartment building on the 2500 block of **Geneva Avenue**. The subject, a 31-year old San Francisco resident, was on probation and was subject to search and seizure. The

officer found a knife with a 4 ½" blade in the subject's waistband. The officer cited the subject for carrying a concealed dirk or dagger.

On Friday, 07-03-15 at 6:15 p.m., Officer Noah Serbin and Sergeant Mike Brennan stopped a vehicle for a stop sign violation at **Junipero Serra Boulevard and San Pedro Avenue**. Officers smelled an odor of marijuana when they came up to the occupants. When the officers asked the driver if there were guns in the vehicle, the driver advised he had one in the glove compartment. The first subject, a 25-year old Daly City resident, was arrested for carrying a concealed firearm in a vehicle, possession a controlled substance while armed and for possession of concentrated cannabis. The passenger, a 24-year old Daly City resident, was arrested for possession of prescription pills without a prescription.

On Sunday, 07-05-15 at 4:27 p.m., Officer Tiffany Cook and Officer Garrett McKenzie were dispatched to the **Dollar Tree** store on a report of a theft. The reporting party said the suspect attempted to conceal store items on her person. When the store personnel confronted the subject, the subject became verbally abusive. When the officers arrived, the subject became verbally aggressive towards Officer Cook and grabbed her shoulder in an attempt to get away. The subject, a 46-year old San Francisco resident, was arrested for resisting arrest and for an outstanding warrant from the City and County of San Francisco. The officer was unharmed.

On Monday, 06-29-15 at 1:39 p.m., a 92-year old San Francisco resident was pushing her shopping cart toward Safeway at the **Westlake Shopping Center** and was approached by a man who grabbed her purse containing miscellaneous credit cards and a cell phone from the cart and ran towards Park Plaza Drive. A witness described the subject as a Hispanic male, mid 20's, 5'8" to 5'9", 145-150 pounds, skinny, with very short hair and no facial hair. ## **Nextdoor.com**

This is a free private social network for you, your neighbors and your community which allows you to talk to your neighbors on line. This, in turn, People use Nextdoor for many reasons: to quickly get the word out about crimes in the area, organize a Neighborhood Watch Group, track down a trustworthy babysitter, find referrals for businesses, looking for lost pets, finding new homes for unwanted items (furniture, bicycles, etc.), and many other reasons. It is very easy to sign up, and I like the fact that the site verifies users by addresses, and it won't allow people to access to a neighborhood if they don't actually live there. There is a mobile application, or you can have it sent to your email. Give it a try! [www.nextdoor.com](http://www.nextdoor.com)
