Notable Cases

On Monday, 08-24-15 at 12:21 a.m., Officer Nicholas McCarthy was on patrol in the area of **Callan Boulevard** and **King Drive** when he saw a vehicle with extremely tinted windows drive by him. The officer said the driver of the vehicle was filming him with his cell phone as he approached the vehicle. The driver spontaneously told the officer he didn't have his driver's license in his possession but he knew the number. Officer McCarthy noticed the passenger in the front seat was acting nervous, and he couldn't see the rear passenger. The officer asked all of the occupants if they were on probation or parole, and all of them replied, “No”. The dispatcher advised that the passenger had a warrant for narcotics-related charges and was on county probation, subject to search and seizure. Officer McCarthy asked the passenger to step out of the vehicle, and the passenger was extremely nervous and reluctant to do so. Once all of the occupants were outside the vehicle, Officer McCarthy conducted a search of the vehicle. The officer found a baggie containing crystal methamphetamine directly behind where the passenger was sitting. The officer used a key to open the locked glove box and found a loaded semi-automatic handgun in the glove box. Next to the gun was a clear glass pipe used to smoke methamphetamine. The gun was reported stolen from San Francisco. The officer found two large boxes in the trunk containing what appeared to be blank payroll check paper. Upon further inspection, the officer found two printers and numerous checks made out to different individuals. Officers arrested the passenger, a 34-year old South San Francisco resident, for a felon carrying a loaded firearm, carrying a concealed loaded firearm, carrying a loaded firearm/stolen, carrying a concealed weapon in a vehicle, carrying a concealed firearm/weapons convictions, possessing a controlled substance while armed, possessing a controlled substance, counterfeiting, possession of unlawful paraphernalia, conspiracy to commit a crime, and for a misdemeanor warrant. The victim said he quickly parked his vehicle into a lot and exited his vehicle to ask the other driver what his problem was. The victim, a 25-year old Daly City resident, said the subject then exited his vehicle and began to punch him with closed fists to his head and face area 7-8 times before he fell to the ground. The subject then got into his vehicle and started to drive away when the victim yelled again to him. The subject came back and punched the victim again. Scams/Other

Landscape Contractor Scam

This did NOT occur in Daly City, but I wanted you to be aware of it. In mid-August in Fremont, a man claiming to be a licensed and insured contractor contacted a 76-year old resident regarding landscaping services. The victim agreed to let the man do the job, and once work began, the suspect informed the victim that there was additional damage, and he needed more money for materials. The victim confronted the subject about his substandard work quality, and the subject became verbally aggressive. The suspect left without completing the job but managed to get more than \$1,000 from the victim who had to later pay to have someone else re-do the work for an additional cost.

Nextdoor.com

This is a free private social network for you, your neighbors and your community which allows you to talk to your neighbors on line. This, in turn, People use Nextdoor for many reasons: to quickly get the word out about crimes in the area, organize a Neighborhood Watch Group, track down a trustworthy babysitter, find referrals for businesses, looking for lost pets, finding new homes for unwanted items (furniture, bicycles, etc.), and many other reasons. It is very easy to sign up, and I like the fact that the site verifies users by addresses, and it won't allow people to access to a neighborhood if they don't actually live there. There is a mobile application, or you can have it sent to your email. Give it a try! www.nextdoor.com
