### Notable Cases

On Monday, 02-08-16 at 12:45 p.m., officers were dispatched to the 800 block of **Campus Drive** on a report of a male subject with a gun or knife who was running after a female. Multiple officers responded and saw the subject jumping fences at the rear of homes on the 800 block of **St. Francis Boulevard**. Officers were to locate the subject on a hilly area. The suspect was shot in the arm by the officer after he refused to comply with the officer’s commands. The victim, a 41-year old Daly City resident, said she used to be in a relationship with the suspect, a 38-year old Daly City parolee. The victim ended the relationship after he was incarcerated, and when he got out of jail, the suspect began threatening and stalking the victim. The victim said on this day, the suspect somehow entered her apartment and threatened her with a knife. The suspect was treated for non-life threatening injuries, and after three days at the hospital, he was booked into jail for assault with a deadly weapon, inflicting corporal injury on a spouse/cohabitant, criminal threats, burglary, violation of parole, stalking, and possession of burglary tools.

On Monday, 02-08-16 at 7:29 p.m., officers were dispatched to the Ross Store at the **Westlake Shopping Center** on a report of a theft of merchandise and a brandishing of a knife. The dispatchers advised that the suspect had cut the alarm sensors to approximately 4-5 purses and threatened store employees with a knife. The reporting party described the subject and the vehicle that was seen waiting for him. Officers stopped the vehicle in the area of Mission Street and School Street and contacted a female driver and a male passenger. After an investigation, officers arrested the passenger, a 28-year old Hayward resident, for armed robbery, conspiracy to commit a crime, commercial burglary, possession of burglary tools, and for possession of stolen property. The driver, a 21-year old Daly City resident, was arrested for conspiracy to commit a crime, possession of stolen property and for driving on a suspended driver's license.

On Monday, 02-08-16 at approximately 11:25 p.m., officers were dispatched to a report of a just-occurred auto burglary in front of the Burgermeister restaurant at the **Westlake Shopping Center**. The victim gave a description of the subject, and officers located him at the BART station. When officers were apprehending the subject, the subject was actively resisting them. The officers found a concealed double edged dirk strapped around the subject’s hands. The subject, a 19-year old Daly

City resident, was arrested for auto burglary, resisting arrest and for being in possession of a concealed dirk/dagger.

On Wednesday, 02-10-16 at 1:51 a.m., Officer Philip Wagon was flagged down by a restaurant owner at the intersection of **Crocker Street** and **Hanover Street** who said two subjects left the restaurant without paying. The officer located the two subjects, and the subject who ordered the food became physically combative with the officer. The subject, a 26-year old Daly City resident, was arrested for defrauding an innkeeper and for resisting arrest. The officer was unharmed.

On Thursday, 02-11-16 at 4:15 a.m., a 31-year old San Francisco resident was arrested for evading a police officer, driving with a suspended driver's license, possession of marijuana while driving, and for a parole violation after leading officers on a short pursuit when officers attempted to conduct a traffic stop on the 6700 block of **Mission Street**.

On Thursday, 02-11-16 at 4:34 p.m., officers were dispatched to the 800 block of **South Mayfair Avenue** on a report of a male subject who was pacing up and down the street, yelling and slamming the backyard gate. The subject, a 22-year old Daly City resident, was arrested for being under the influence of a controlled substance and for being in possession of unlawful paraphernalia.

On Thursday, 02-11-16 at 8:00 p.m., Officer Noah Serbin was on patrol in the area of **Geneva Avenue** and **Acacia Street** and conducted a traffic stop of a vehicle. The driver, a 35-year old San Francisco resident, said he never had a driver's license and was driving his friend's car. The driver opened the glove box, and the officer saw a stun gun in the glove box. The officer asked the driver to exit the vehicle and asked if he had any additional weapons or drugs on him. The driver allowed the officer to search him, and the officer found two large wads of money in the subject's pocket. The driver spontaneously stated it was for rent. In the vehicle, the officer found a clear plastic sandwich bag containing a large chunk of a compressed white powdery substance and also three prescription bottles not belonging to him. The officer arrested the subject for possession of a controlled substance for sales and for transportation of a controlled substance for sales.

On Friday, 02-12-16, at approximately 11:15 p.m., Officer Noah Serbin conducted a traffic stop on a vehicle at **Mission Street** and **Acton Street**. When the driver was reaching for his identification, he removed a butane lighter/torch from his pocket. Officer Serbin knew this item was most commonly used to heat crystal methamphetamine. When the officer asked the subject what he used it for, the subject did not reply. The officer asked the subject if he had anything illegal in his vehicle, and the subject said he didn't and declined permission to search the vehicle. At that time, Officer Taylor who was the cover officer, had his K-9 partner with him. The K-9 is certified to detect drugs and alerted the officer to the trunk of the vehicle. In the trunk was suspected methamphetamine, Xanax, a large amount of plastic baggies, a digital scale, concentrated cannabis and a collapsible baton. The subject, a 40-year old San Francisco resident, was arrested for transporting a controlled substance, possessing a controlled substance for sale, possession of concentrated cannabis, possession of marijuana, and possession of a dangerous weapon.

On Saturday, 02-13-16 at approximately 5:08 p.m., Officer Benjamin Riney conducted a pedestrian stop of a subject who was standing outside of a room for 15 minutes in front of the Mylo Hotel on **Geneva Avenue**. The officer searched the subject and found methamphetamine in his pocket. The subject said he didn't use the methamphetamine. The officer asked the subject he would allow him to search his room, and the subject consented. The subject shared the room with a friend. A consent search of the room led to the arrest of the suspect's friend, a 36-year old South San Francisco resident, for residential burglary (of a residence in Daly City), possession of stolen property, and for possession of a controlled substance. The first suspect, a 46-year old San Francisco resident, was cited for possession of methamphetamine.

On Saturday, 02-13-16 at 6:35 p.m., Officer Lucas Taylor saw a vehicle driving with no headlights on in the area of **Schwerin Street** and **Macdonald Avenue**. When the officer pulled over the subject, the subject got out of the car and started running and attempted to jump over a fence on Kelloch Avenue. As Officer Taylor pulled the subject off the fence, the subject used his fist to swing at the officer and missed him. The subject then got up and ran from the officer. The subject, a 45-year old transient, was

arrested for assault on a peace officer, resisting arrest and for being under the influence of a controlled substance (methamphetamine).

### **Nextdoor.com**

This is a free private social network for you, your neighbors and your community which allows you to talk to your neighbors on line. This, in turn, People use Nextdoor for many reasons: to quickly get the word out about crimes in the area, organize a Neighborhood Watch Group, track down a trustworthy babysitter, find referrals for businesses, looking for lost pets, finding new homes for unwanted items (furniture, bicycles, etc.), and many other reasons. It is very easy to sign up, and I like the fact that the site verifies users by addresses, and it won't allow people to access to a neighborhood if they don't actually live there. There is a mobile application, or you can have it sent to your email. Give it a try!
