as if he was looking to see if anyone was watching him. When Officer McCarthy walked up to the open right front passenger window, he saw the subject holding his erect penis in his hand and was masturbating. The said, "Hello" through the open window, and he said the subject quickly tried to put his penis back into his pants and said he was only trying to pee in a cup. The subject, a 44-year old San Francisco resident, was on probation for indecent exposure in San Francisco and was also a convicted sex registrant. He was arrested for indecent exposure.

On Thursday, 07-06-17 at approximately 7:11 p.m., officers were dispatched to a residence on the unit block of **Vista Grande Avenue** on a report of a possible residential burglary in progress. The reporting party said a male subject was kicking the front door, garage door and window. Officers found a subject nearby who matched the description of the subject. The officer saw the subject was sweating profusely and that he was yelling that he lost his 6-year old daughter. Officers searched the subject's pants pocket and located numerous catsup packets, napkins, straws, and a case that contained Xanax pills. Officer Cabatic asked the subject where he was coming from, and the subject said he was picking up his daughter at school and were walking home before he lost her. The officer asked the subject where the school was, and he said South San Francisco. The subject was surprised when the officer told him he was in Daly City. The officer contacted the subject's wife who confirmed their daughter was safe. Prior to bringing the subject, a 40-year old South San Francisco resident, to jail, officers transported the subject to the County hospital for treatment. The driver, a 19-year old Oakland resident, told the officer he was pulled over by the CHP earlier in the day and that his driver's license was suspended. Officer Collins asked the driver for consent to search the vehicle, and the driver gave consent. The officer noticed that the center console behind the front right passenger floorboard was loose, pulled the panel open and saw the handle of a small gun. ### **San Mateo County Alert System (SMC)**

This alert is a free digital communication system used by emergency management agencies and first responders to send emergency alerts, notifications and updates to portable digital devices. In an emergency situation, an alert will be sent by San Mateo County authorized personnel and you will receive messages on your cell phone or mobile device. Most carriers activate the service automatically. To receive emergency alerts, sign up by visiting [www.smcalert.info](http://www.smcalert.info). **Nextdoor.com**

Nextdoor.com is a free private social networking website for your neighborhood. This private network ensures that only those who live in your neighborhood can join; users must go through a verification process. Neighbors ask each other for business recommendations; help in locating missing pets; discuss relevant local government issues; or connect for other reasons. It is very easy to sign up, and I like the fact that the site verifies users by addresses, and it won't allow people to access to a neighborhood if they don't actually live there. Please note: the City of Daly City and/or the Police Department cannot see what residents post—we are only allowed to post information. There is also a mobile application, or you can have it sent to your e-mail. Give it a try! [www.nextdoor.com](http://www.nextdoor.com)
