Notable Cases

On Monday 08-14-17 at approximately 12:15 a.m., officers were dispatched to the intersection of **Mission Street** and **John Daly Boulevard** on a report of a female being chased by a male. Officer Murillo arrived and found the subjects matching the description given to him by the dispatchers. The victim was extremely frantic and speaking rapidly. She said she had just run away from the subject who followed her and her boyfriend off of the muni bus. The 33-year old victim said the subject was seated behind them on the bus, and she saw the subject smoking what she thought was crack from a glass pipe. She said during the bus ride, the subject began whispering things to her and then yelled at them once they got off the bus. A witness saw the subject following the couple and phoned the police. The suspect, a 38-year old San Francisco resident, admitted to smoking methamphetamine a couple of hours before, and he was arrested for being under the influence of a controlled substance, possession of a controlled substance and possession of narcotics paraphernalia.

On Monday, 08-14-17 at 2:30 p.m., **Westmoor High School** campus security advised that a 15-year old student was in possession of a BB gun. The student was released to his mother, and a complaint is sought for possession of a weapon on school grounds.

On Wednesday, 08-16-17 at 4:22 p.m., two 14-year old female Daly City residents flagged down an officer at Flyer’s Gas station to tell him that a subject at the bus stop on the 300 block of **Gellert Boulevard** had just made inappropriate comments and “cat calls” to the victims as they walked by him. The suspect, a 51-year old South San Francisco resident, was subsequently arrested for possession of illegal drug paraphernalia, burglary tools and for stolen property.

On Wednesday, 08-16-17 at approximately 9:02 p.m., officers were on patrol in the area of **Geneva Avenue** approaching **Bayshore Boulevard** when they saw a vehicle pass by their unmarked patrol car at a high rate of speed. The vehicle did not have any lights on, and the vehicle swerved in and out of lanes. The officers caught up to the vehicle at the intersection and saw the vehicle crash and two

male subjects run out of the vehicle. Officers chased the suspects and yelled for them to stop. One subject, a 12-year old Daly City resident, stopped running and complied. The subject's cell phone began ringing, and the subject said it was his brother who was calling him. The subject said he and his brother took their sister's car to go buy some chips and said a vehicle began to follow them. He said they were scared and drove fast to get away from the car. The subject said he tried to follow his brother over the fence but got stuck between the police car and the officer. The 12-year old subject was arrested for resisting a peace officer following a foot pursuit and was released to his father. A warrant is sought for his 18-year old brother for hit and run, resisting a peace officer, contributing to the delinquency of a minor and for child endangerment. Luckily no one was harmed in the crash.

On Wednesday, 08-16-17 at 11:33 p.m., officers were dispatched to the **Target** store on a report of two males purchasing over \$4,600 worth of merchandise using a credit card that did not belong to them. The manager saw the clerk ringing up expensive items and came over to see what the clerk was doing. The clerk asked one of the males how he was going to pay for the transaction, and the male initially pulled out a "wad" of money but then decided to use a credit card. The clerk asked if the credit card belonged to him, and the subject said it belonged to his girlfriend. When he was questioned about how to spell his girlfriend's name, the subject spelled the name incorrectly. The manager called the police without the subject's knowledge and said the subject started visibly shaking and became argumentative, asking why he was being hassled. Officers arrested the subject, a 43-year old San Francisco resident for commercial burglary, use of access cards without consent, conspiracy, and for possession of stolen property. The other subject, a 39-year old San Francisco resident, was arrested for conspiracy and for an outstanding misdemeanor warrant from San Francisco for theft.

When the employees asked the subject to leave, they said the subject yelled at them. Officers placed the subject, a 51-year old San Francisco resident, under arrest for public intoxication.

On Sunday, 08-20-17 at 9:53 p.m., Officer Lickness and Officer Shoopman conducted a traffic stop at **Geneva Avenue** near **Santos Street**. The officers contacted the solo occupant of the vehicle and immediately smelled a strong odor of burnt marijuana. When Officer Lickness asked the driver how much marijuana he had in the vehicle, he said the driver started to sweat. The driver responded by picking up an ashtray and showed the remnants of the marijuana. Officer Lickness asked the driver to step out of the vehicle, and he said the subject began looking around nervously inside of his vehicle before reluctantly exiting the vehicle. Officer Lickness asked the subject if he had a firearm inside of the vehicle, and the subject said he did, but that it wasn't his. Other officers responded to assist, and they recovered a .9 mm gun on the floorboard. Officer Shoopman conducted a search incident to arrest of the subject, and he found a pill container with baggies containing a white powdery substance, as well as a large amount of cash on the subject. Nextdoor.com

Nextdoor.com is a free private social networking website for your neighborhood. This private network ensures that only those who live in your neighborhood can join; users must go through a verification process. Neighbors ask each other for business recommendations; help in locating missing pets; discuss relevant local government issues; or connect for other reasons. It is very easy to sign up, and I like the fact that the site verifies users by addresses, and it won't allow people to access to a neighborhood if they don't actually live there. Please note: the City of Daly City and/or the Police

Department cannot see what residents post—we are only allowed to post information. There is also a mobile application, or you can have it sent to your e-mail. Give it a try! www.nextdoor.com
