Notable Cases

On Monday, 05-06-19 at 4:32 a.m., Officer Hart and several other officers were dispatched to the 200 block of **Station Avenue** on a report of a subject who said his girlfriend and new boyfriend were driving around his house, threatening him, and that he was in fear for his life. When Officer Hart arrived, he observed a male holding a pool cue in his hands standing in front of a residence. The subject put down the pool cue when asked and told the officers that his girlfriend and new boyfriend were driving around his block all night threatening him. The suspect changed his stories several times, and officers in the area could not find the vehicle or people question. The subject was advised to go back into his residence. About an hour later, the subject called 9-1-1 to report the same activity. The subject shouted and pointed at random cars and told Officer Hart to check the vehicles as he believed the subjects were in the cars. Officer Hart noticed the subject displayed objective signs and symptoms of stimulant influence and asked the subject if he had used any narcotics. The subject admitted to taking a “hit” of methamphetamine. The 37-year old subject was ultimately arrested for being under the influence of a controlled substance.

On Tuesday, 05-07-19 at 8:17 p.m., a 44-year old Pacifica resident was arrested for driving under the influence of alcohol following a traffic collision in the area of **Hickey Boulevard** and the **Highway 280 off-ramp**.

The reporting party said the subject was in a hurry and was rushing the teller. The officers arrived when the subject was still at the counter. The subject, a 33-year old Oakland resident, had so many inconsistent stories regarding how she was in possession of identification not belonging to her, and she was ultimately arrested for forgery, identity theft, receiving stolen property and for possession a controlled substance.

On Sunday, 05-12-19 at 2:06 a.m., Officer Greene was dispatched to the 7300 block of **Mission Street** on a report of two adults passed out in the front seat of a Mitsubishi Outlander while a juvenile was in the back seat of a vehicle. Officer Greene arrived and found the vehicle running, and the keys were in the ignition. The officer saw a male subject in the driver's seat with his feet positioned toward the gas and brake pedal and his hands on his lap. He observed a female in the front passenger seat with a young child who was sleeping unrestrained on the female's chest. Additionally, Officer Greene saw second juvenile sleeping with her seat belt on in the second row of the vehicle. Officer Greene woke up the subjects and conducted field sobriety tests on the driver, a 41-year old Bay Point resident. He determined the subject was under the influence of alcohol. The subject's 43-year old wife in the passenger seat had not consumed any alcoholic beverages and drove their 3 and 10-year old children home. Officer Greene arrested the subject for driving under the influence and for misdemeanor child endangerment.

On Sunday, 05-12-19 at 6:42 p.m., Officer Ciucci was dispatched to the area of **Skyline Drive** and **Westridge Avenue** on a report of a reckless driver who almost hit the reporting party's vehicle. The reporting party provided the dispatcher a description of the vehicle and had followed the vehicle to the unit block of **Skyline Drive**. Officer Ciucci arrived to find the vehicle stopped in the middle of the roadway, with the engine running and brake lights activated. The officer approached the driver's side and saw a subject sleeping. Officer Ciucci reached through the open window and turned the gear selector in park, engaged the emergency brake, turned off the ignition and removed the keys. In doing so, he awoke the subject. The subject was extremely intoxicated and was ultimately arrested for driving under the influence.

Scams/Other

Social Security Scam/Target Stores

I just wrote about the social security scam last week, but now there is a new twist on this scam. A 32-year old Daly City resident reported that on Monday, 05-06-19 he received a call from a subject who provided him with his social security number and birthday. The caller told the victim he needed to pay \$3,400 in order for a warrant to be removed from the system. The caller told the victim that the government had an arrangement with the Target company and advised him to go to Target to purchase \$3,400 in Target gift cards and provide the account information on the back of the cards. The victim completed the steps without incident or without Target personnel questioning his purchase. The

suspect told the victim not to tell Target staff what the gift cards were for. Immediately after providing the information to the caller, the victim felt he had been defrauded.

Please DO NOT automatically believe when you are told your social security number has been comprised. Take the necessary steps to find out for yourself by contacting the Social Security Administration directly. According to the Social Security Administration's website, reports about fraudulent phone calls from people claiming to be from the Social Security Administration are increasingly becoming more frequent, and the callers are becoming more threatening in their calls. If you suspect you have received a scam call, you should hang up and report details of the call to the Office of the Inspector General at 1-800-269-0217 or on line at <https://oig.ssa.gov/report>.

Nextdoor.com

Nextdoor.com is a free private social networking website for your neighborhood. This private network ensures that only those who live in your neighborhood can join; users must go through a verification process. Neighbors ask each other for business recommendations; help in locating missing pets; discuss relevant local government issues; or connect for other reasons. It is very easy to sign up. I like the fact that the site verifies users by addresses, and it won't allow people to access to a neighborhood if they don't live there. Please note: The City of Daly City and/or the Police Department cannot see what residents post—we are only allowed to post information. There is also a mobile application, or you can have it sent to your e-mail. Give it a try! www.nextdoor.com
