When they entered the restroom, the officers saw a male subject dancing the “twerk” and saw foil with burn marks and a plastic straw on the floor next to the subject. The officers contacted two other related subjects once they got the subject out of the restroom. The subject in the restroom, a 28-year old Oakland resident, was arrested for being in possession of drug paraphernalia. On Friday, 10-25-19 at 6:31 a.m., officers were dispatched to a residence on the unit block of **Seacliff Avenue** on a report of a subject attempting to enter a residence. The reporting party said a subject continuously beat on his door for five minutes. Officers arrived and found a subject matching the description and then detained him in handcuffs. The subject broke away and fled from the officers. In doing so, the subject fell and was transported to San Francisco General Hospital for his injuries. A complaint will be sought against the subject, a 24-year old Chico resident.

On Friday, 10-25-19 at 6:00 p.m., **Officer Maddison** was dispatched to the **Wells Fargo Bank at Serramonte Shopping Center** on a report of a subject who displayed a police badge while looking into vehicles. Nextdoor.com

Nextdoor.com is a free private social networking website for your neighborhood. This private network ensures that only those who live in your neighborhood can join; users must go through a verification process. Neighbors ask each other for business recommendations; help in locating missing pets; discuss relevant local government issues; or connect for other reasons. It is very easy to sign up. I like the fact that the site verifies users by addresses, and it won't allow people to access to a neighborhood if they don't live there. Please note: The City of Daly City and/or the Police Department cannot see what residents post—we are only allowed to post information. There is also a mobile application, or you can have it sent to your e-mail. Give it a try! www.nextdoor.com
