On Monday, 12-16-19 at 2:44 a.m., **Officer Maddison** was dispatched to the **Fuel 24/7** station on **Sullivan Avenue** on a report of a subject who had stolen items and was being confrontational to the clerk. **Officer Maddison** arrived to see the subject yelling at the clerk. The subject was highly agitated, and the officer suspected the subject may be under the influence of narcotics. The subject, a 26-year old Antioch resident, had an outstanding felony no-bail warrant for assault with a deadly weapon from San Francisco. **Officer Maddison** placed the suspect under arrest, and when he searched the subject, he found a baggie containing heroin in the subject’s pants pocket. The officer also arrested the subject for possession of a controlled substance.

On Tuesday, 12-17-19 at approximately 5:37 a.m., **Officer Shoopman** was flagged down by a female in the parking lot of the police station who reported that a subject had just exposed himself to her. The 27-year old reporting party said she was in her vehicle and was putting on her make-up in the **Krispy Kreme** parking lot. She said she saw a male walk towards the dumpsters and then look into her vehicle. The reporting party said the male had a mask covering his face, and it frightened her, so she moved her vehicle outside of the lot onto **Briggs Street** and **92nd Street**. The reporting party said a short time later, the same male walked up to her passenger window, crouched down, pulled up his sweatshirt and exposed his genitals to her. The reporting party quickly drove to the police station. The reporting party described the suspect as an unknown race male, light skinned, approximately 5’11” to 6’0” tall wearing a dark colored sweatshirt with dark pants. Officers canvassed the area but were unable to find the subject.

On Tuesday, 12-17-19 at approximately 9:43 a.m., **Officer Arguelles** and **Officer Andrade** were dispatched to the **Summit Shasta Charter School** on a report of a subject who exposed himself to a student. The 14-year old student reported that she was walking towards her classroom from the school’s courtyard when she noticed a man in a dark colored Toyota Prius who was holding up his phone, making gestures of “Can you help me?” The student said the subject was holding what looked like a Safeway receipt and thought the subject may be lost. The reporting party said the subject

motioned with his eyes to look down as he was sitting in the driver's seat of his vehicle. The reporting party looked down and saw the subject was holding his erect penis in his hand. The student reported the incident to the dean of the school, and the dean was able to obtain the license plate of the Prius. Officers tracked down the owner of the vehicle who said she lent the vehicle to her friend. The owner and her friend (suspect) came to the police station a few hours later, and officers arrested the 30-year old suspect, a Daly City resident, for indecent exposure, child molesting and engaging in lewd conduct.

On Thursday, 12-19-19 at 12:30 p.m., **Sgt. Busalacchi** and **Lt. Brennan** were driving an unmarked car on their way to SWAT training when they saw a male who was standing and appeared to be masturbating on the unit block of **San Pedro Road**. When **Lt. The subject dropped a piece of foil, a straw, a lighter and a small baggie filled with a black tar-like substance. **Officer Mulitauopele** arrived to assist, and when he searched the subject, he found several needles in his right pant leg. After the officers conducted field sobriety tests on the subject, a 32-year old Daly City resident, they arrested him for driving under the influence of alcohol.

On Saturday, 12-21-19 at 1:04 p.m., **Officer Reyes** and **Officer Serbin** were flagged down in the area of **Junipero Serra Boulevard** and **Southgate Avenue** on a report of a male subject who was passed out behind the wheel of a minivan that was blocking traffic. The reporting party told the officers that the driver "might be drunk". **Officer Reyes** approached the running vehicle, heard music and saw the driver reclined and passed out in the driver's seat. She also saw a subject passed out in the front passenger seat. **Officer Reyes** knocked on the driver's window several times to wake him up, and the subject moved his foot from the brake, causing the vehicle to move forward a bit. The subject woke up and turned off the vehicle after the officer asked him to do so. **Officer Serbin** saw drug paraphernalia (burnt foil and two tubes) in plain view on the center console. The driver overheard **Officer Serbin** telling **Officer Reyes** about the paraphernalia, and the driver said to be careful—that the substance was Fentanyl. **Officer Reyes** asked the subject to step out of the vehicle, and the subject closed his eyes as if he was falling asleep. The officers searched the vehicle incident to arrest, and they placed the 36-year old transient subject under arrest for driving under the influence of drugs, possession of controlled substances (Fentanyl, methamphetamine and heroin) and for a misdemeanor warrant. The 51-year old passenger was released.

The loss prevention officer told the officers he saw the subject fill a shopping cart with items and walk out of the store without paying for them. The loss prevention officer said the suspect struck him in the face as he tried to detain him. The officers said the subject identified himself using a California driver's license. When the officers checked the subject's record, they found out that the subject did not have the tattoos that the person with the identification had. The subject, a 27-year old Oakland resident, was subsequently arrested for robbery, false impersonation and for a parole violation.

emergency. **Officer Haas** checked the subject and found no medical issues, but the subject had several outstanding warrants.
