IMPORTANT NOTE

Contractors/Homeowners shall not perform any work, or allow any work to be performed, on behalf of the City or in the City right of way, until the insurance documents described below have been accepted by the City. All Contractors/Homeowners either sign an agreement with the City or receive a permit from the City, and that agreement/permit includes the requirement to provide additional insured coverage, primary coverage and cancellation endorsements for the work to be performed. Providing insurance documents that are acceptable to the City can take several days, so plan accordingly.

Certificates and Endorsements may be initially faxed, but originals must be sent to:
Engineering Division, 333 90th St., Daly City, CA 94015

Prior to performing work for the City of Daly City or receiving an encroachment permit to perform work in the City right-of-way, the Contractor and/or Homeowner, including any and all subcontractors working for the Contractor/Homeowner, shall furnish the following documents to the Engineering Division for prior approval. Coverage shall be effective throughout the term of the City contract or the permit.

HOMEOWNERS:
1. A copy of the Homeowners Insurance Policy declarations page, showing coverage is currently in effect, and will remain in effect throughout the project period.
2. An additional insured endorsement which includes the following language:
   “The City of Daly City, including its officers, officials, employees, and volunteers, are insureds”

NOTE: If the agent/broker is unable to name the City as additional insured, the agent/broker shall provide a memo or letter to the Engineering Division so indicating and that will be evaluated.

CONTRACTORS:
Certificates of Insurance with original, authorized signatures, providing the following minimum insurance coverage(s):
1. General Liability: $1,000,000 Combined Single Limit per occurrence for bodily injury, personal injury, and property damage.
2. Automobile Liability: “Any Auto” $1,000,000 Combined Single Limit per accident for bodily injury and property damage.
3. Workers’ Compensation: Workers’ Compensation Insurance as required by the State of California and Employer’s Liability Insurance of $1,000,000 per accident for bodily injury or disease.

All insurance carriers shall be rated A:VII or better and certificates SHALL be accompanied by the following endorsements:

A. LIABILITY INSURANCE ENDORSEMENT containing the following specific components:
1. The insurance policy number.

3. A statement that includes the following language:
   “The insurance shall be primary as respects the insured shown in the schedule above, or if excess, shall stand in an unbroken chain of coverage excess of the Named Insured’s scheduled underlying primary coverage. In either event, any other insurance maintained by the Insured scheduled above shall be in excess of this insurance and shall not be called upon to contribute with it.”
4. A statement that includes the following language:

“The insurance afforded by this policy shall not be canceled except after thirty days prior
drawn notice by certified mail return receipt requested has been given to the City.”

NOTES:

a. A CG 20 10 11 85 Form is preferred for the General Liability additional insured Endorsement,
but alternative endorsements may, for good cause, be substituted with prior approval by the City. The
City can consider accepting either a CG 20 10 01 01 or a CG 20 33 10 01 (or some form specific that
has identical wording) as long as the form is accompanied by a CG 20 37 10 01.

b. Policies that include endorsement numbers CG 22 94 10 01 and/or CG 22 95 10 01, or have the
endorsement wording written into the policy DO NOT satisfy the City’s insurance requirements, and
WILL NOT be accepted.

c. The City will accept strike out of the words “endeavor to” and everything after, “…certificate
holder named to the left,” on the Certificate of Insurance in lieu of cancellation language on an
endorsement.

B. AUTOMOBILE INSURANCE ENDORSEMENT containing the following specific components:

1. The insurance policy number.

2. A statement that includes the following language: “The City of Daly City, including its officers,
officials, employees, and volunteers, are insureds”

3. A statement that includes the following language:

“The insurance shall be primary as respects the insured shown in the schedule above, or if
excess, shall stand in an unbroken chain of coverage excess of the Named Insured’s
scheduled underlying primary coverage. In either event, any other insurance maintained by
the Insured scheduled above shall be in excess of this insurance and shall not be called
upon to contribute with it.”

4. A statement that includes the following language:

“The insurance afforded by this policy shall not be canceled except after thirty days prior
written notice by certified mail return receipt requested has been given to the City.”

NOTE:

Within having “Any Auto” coverage, the City will alternatively accept a Certificate stating “Scheduled
Autos, Hired Autos, and Non-Owned Autos”.

C. WORKERS’ COMPENSATION INSURANCE ENDORSEMENT containing the following specific
components:

1. A waiver of subrogation clause which states the following:

“This insurance company agrees to waive all rights of subrogation against the City of Daly
City, its officers, officials, employees, and volunteers for losses paid under the terms of this
policy which arise from the work performed by the named insured for the City.”

2. The insurance policy number.

3. A statement that includes the following language:

“The insurance afforded by this policy shall not be canceled except after thirty days prior
written notice by certified mail return receipt requested has been given to the City.”

NOTE:

a. Certificates issued by State Compensation Insurance Fund must have State Fund
endorsement numbers 0015, 2065, and 2570 on them. Subcontractors performing work within the City
Right-of-Way, or for Contractor’s working on behalf of the City, shall either be included upon the
Contractor’s policies as insured’s, or shall furnish separate certificates and endorsements to the
Engineering Division. All coverage for subcontractors shall be subject to all of the insurance
requirements stated previously herein for the Contractor, and shall be effective throughout the term of
the permit.

The City of Daly City reserves the right to require more or less coverage than indicated above,
and to reject any language or forms that do not meet the City’s requirements.
