CHILD ABUSE/NEGLECT

Under current law, programs do not have to notify the parent/guardian before notifying Child Protective Services (CPS). It is the program’s responsibility to protect children from abuse and/or neglect.

CODE OF CONDUCT

Children are expected to comply with all regular school day rules and regulations in addition to the Behavior Management Policy. Discipline will be handled by the program Site-lead, the program Group Leaders, and, in some cases, by the School Faculty.

A parent/guardian is also required to sign the Behavior Notification at the time a child’s behavior is inappropriate. However, a parent/guardian’s refusal to sign a Behavior Notice does not excuse inappropriate behavior of a child and does not prevent dismissal of the child if behavior warrants dismissal.

The policy includes methods such as talking to the child about the situation, redirection of the child from the group for reflection, and/or consulting with parents/guardians and school faculty. Parent/guardian’s contacted about inappropriate behavior are expected to cooperate with staff to help ensure the inappropriate behavior was addressed and redirected. One of the goals of our behavior process is to help children develop self-discipline and give them choices whenever possible. Corporal punishment, sarcasm and yelling by the staff are not acceptable means of disciplining children in the program.

• Threats of any kind directed toward a pupil or school personnel may be cause for suspension

AYRP/AQUATICS/SYRP staff follow the rules of the regular school day, offering a safe, secure, engaging environment. AYRP/AQUATICS/SYRP staff will set clear expectations, offer guidance, and address conflicts as they arise to meet the needs and relationships of the community. Limits are set on behavior to provide a safe and caring environment where children can play and learn. Limits are set for three primary reasons: 1) to prevent children from injuring themselves or others; 2) to prevent the destruction of property, materials, or equipment; 3) to help children learn respect for themselves, other children, and adults.

Removal of a student from the program, if deemed necessary, will be a collective decision from site staff, School Faculty, and Daly City Department of Library and Recreation Services.
