ENRICHMENT

#GAMEMAKER: PROGRAMMING WITH SCRATCH
(Ages 8 - 12)
Use your magical programming power to create games that you can share with your friends! During this camp, you will be introduced to Scratch programming and build several games: multi-player, artistic creations, multi-level games... If you have previous experience with Scratch, you will work on more challenging projects. On the last day, you will present a game you created using the Design Thinking process. Laptops/Robotics provided by Code for Fun for use in this camp.
