The Volunteer Leadership Program (VLP) gives teens (who have completed the 8th grade), an opportunity to perform community service at one of four Summer Youth Recreation Program (SYRP) sites.

Volunteers will engage participants enrolled in our SYRP by leading activities and games, supervising arts and crafts, and helping prepare for the summer talent show, summer carnival, and other special events and activities.

Community Service Hours
Volunteers will receive a VLP logbook to track and log their community service hours. Volunteers will be responsible for filling in their logbooks and having staff approve their hours, on a daily basis, to receive full credit.

A letter, totaling Volunteers’ community service hours, will be drafted at the end of the summer, and a copy will be mailed to each participant.

Bonus Rewards
Volunteers who complete service hours by certain dates may qualify for bonus rewards. More information will be discussed at the VLP Orientations and Trainings.
