

# PETITION: KEEP LOCAL TAXES LOCAL

We, the residents and neighbors of \_\_\_\_\_,  
as residents and taxpayers in Daly City, urge you to oppose the further taking of local tax  
dollars from us.

We insist upon the return of our local taxes. Daly City has lost in excess of \$40 million  
since 1981 to pay for State programs. These were funds generated from local tax dollars  
that should have been spent for local services. Our City government balances its budget  
each and every year, and lives within its means. We urge the State of California to begin  
to do the same, and to end the practice of robbing us of funds that should be going to our  
streets, parks, libraries, police and fire services.

We will hold you and your fellow legislators accountable for the closing of facilities and  
cuts to services we value.
