Detective Shiu, a member of the DCPD Hostage Negotiation Team, responded and began attempting to convince the subject to come down from the tree. The victim's wife, a 77-year old Foster City resident, said she did not know her husband had been hit and was bleeding until they got into the restaurant. The victim, a 75-year old Foster City resident, said the suspect said, “Give me your purse!”, and the victim told him, “F--- you!”. Both the victim and his wife stated the incident happened so fast that they did not get a good look at the suspect, other than to say he was wearing all black and was wearing a ski mask over his face. The driver then exited the vehicle and ran away from the vehicle. He was eventually detained at the corner of **Templeton Avenue** and **Hanover Street**. The subject, a 22-year old San Francisco resident, was on probation. Officer Hyink assisted with the collision investigation, and he found a loaded black semi-automatic .45 caliber pistol in the front passenger area of the subject's vehicle, as well as the subject's iPhone. Most carriers activate the service automatically. To receive emergency alerts, sign up by visiting [www.smcalert.info](http://www.smcalert.info). ### **Nextdoor.com**

Nextdoor.com is a free private social networking website for your neighborhood. This private network ensures that only those who live in your neighborhood can join; users must go through a verification process. Neighbors ask each other for business recommendations; help in locating missing pets; discuss relevant local government issues; or connect for other reasons. It is very easy to sign up, and I like the fact that the site verifies users by addresses, and it won't allow people to access to a neighborhood if they don't actually live there. Please note: The City of Daly City and/or the Police Department cannot see what residents post—we are only allowed to post information. There is also a mobile application, or you can have it sent to your e-mail. Give it a try! [www.nextdoor.com](http://www.nextdoor.com)
