SCAM ALERT: DCPD Phone Number Being Used to Spoof

Currently, the Daly City Police Department is aware of a phone scam impersonating officers of the Daly City Police Department. The number that's being "Spoofed" by scammers is 650-991-8119, which is the front desk line of the Police Department. This phone number only accepts phone calls and is unable to make phone calls. If you receive a call from the phone 650-991-8119, it is a scam.

If you receive a call or voicemail from 650-991-8119 regarding a “cybercrime, fraud investigation, that you have a warrant out for your arrest,” or other similar issues, please do not give out any information to the person calling and hang up. Our officers will not call you from 650-991-8119 and would never ask for money, money orders, gift cards, or any sort of financial compensation. If you receive a phone call from this number asking you to come in person to the Daly City Police Department, it is likely part of the scam. Please first contact the Daly City Police Department, or your local police agency directly, and verify the request before going to the police department.

If you have any questions regarding a call you received or if you were asked to come into the police station, please contact 650-991-8119 and you'll be connected with the front desk staff.

Sandbags Available While Supplies Last

Sandbags are accessible 24/7 at two locations for residents with proof of residency:

- Department of Water & Wastewater Resources (parking lot) - 153 Lake Merced Blvd.
- Department of Public Works (Corporation Yard entrance) - 798 Niantic Ave.

Limit 10. Please take only what is needed as supplies are limited. When filling sandbags, fill them only halfway, so they are not too heavy to lift and will stack properly.

San Mateo County Alert System (SMC)

Have you signed up to receive these alerts? This alert is a free digital communication system used by emergency management agencies and first responders to send emergency alerts, notifications, and updates to portable digital devices. In an emergency situation, an alert will be sent by San Mateo County authorized personnel, and you will receive messages on your cell phone or mobile device. Most carriers activate the service automatically. To receive emergency alerts, sign up by visiting www.smcalert.info.

Nextdoor.com

Nextdoor.com is a free private social networking website for your neighborhood. This private network ensures that only those who live in your neighborhood can join; users must go through a verification process. Neighbors ask each other for business recommendations; help in locating missing pets; discuss relevant local government issues; or connect for other reasons. It is very easy to sign up. I like the fact that the site verifies users by addresses, and it won't allow people to access a neighborhood if they don't live there. Please note: The City of Daly City and/or the Police Department cannot see what residents post—we are only allowed to post information. There is also a mobile application, or you can have it sent to your e-mail. Give it a try! www.nextdoor.com
