When I mention “the unit block” of a street, this means the incident occurred at an address anywhere between 1 and 99 of the street.

Robberies

There was one robbery during the past week.

On Tuesday, 02-11-25, at approximately 12:41 a.m., officers were dispatched to the unit block of **West Cavour Street** on a report of a suspect breaking the front door. The first victim stated that a known suspect had kicked open the front door to her apartment. A second victim stated that after the suspect entered the apartment, she attempted to push him back. The suspect then pushed her, and a physical struggle ensued over her purse. The known suspect emptied the purse’s contents, took a set of keys, and fled. The following day, the suspect, a 20-year-old San Francisco resident, was located, arrested, and booked into jail for residential burglary, robbery, and other offenses.

A vehicle, possibly a silver Mercedes-Benz, parked in front of the business, and the driver exited. The suspect entered the business and pushed a safe containing cash to the front door, where a second suspect assisted in removing it. Shortly after, a white Chevrolet SUV arrived, and a third suspect exited the vehicle. All three suspects placed the safe into the SUV, while a fourth suspect, the driver, remained inside the vehicle. Both vehicles then fled southbound on Gellert Boulevard. The driver of the silver vehicle was described as a male adult wearing a black hooded sweatshirt and blue jeans. The second suspect was described as a male adult wearing all-gray clothing.

San Mateo County Alert System (SMC)

Have you signed up to receive these alerts? This alert is a free digital communication system used by emergency management agencies and first responders to send emergency alerts, notifications, and updates to portable digital devices. In an emergency situation, an alert will be sent by San Mateo County authorized personnel, and you will receive messages on your cell phone or mobile device. Most carriers activate the service automatically. To receive emergency alerts, sign up by visiting www.smcalert.info.

Nextdoor.com

Nextdoor.com is a free private social networking website for your neighborhood. This private network ensures that only those who live in your neighborhood can join; users must go through a verification process.

Neighbors ask each other for business recommendations; help in locating missing pets; discuss relevant local government issues; or connect for other reasons. It is very easy to sign up. I like the fact that the site verifies users by addresses, and it won't allow people to access a neighborhood if they don't live there. Please note: The City of Daly City and/or the Police Department cannot see what residents post—we are only allowed to post information. There is also a mobile application, or you can have it sent to your e-mail. Give it a try! www.nextdoor.com
