## Robberies

There were two robberies during the past week.

On Thursday, 07-10-25, at approximately 12:13 p.m., officers were dispatched to **Safeway at the Westlake Shopping Center** on a report of a disturbance. A security guard stated that the suspect entered the store, selected coffee products, kicked open a security gate to bypass closed registers, and walked toward the exit doors. The security guard followed the suspect until the suspect stopped approximately seven feet from the exit and held a glass bottle over his head, motioning as if he were going to throw it at the security guard. The security guard felt fear when this happened. The security guard attempted to pepper spray the suspect but was unsuccessful. The suspect then continued toward the exit and again raised the glass bottle. The security guard pepper sprayed the suspect as he threw the glass bottle at him and fled the store. Officers located the suspect at the intersection of South Mayfair Avenue and Fairway Drive. The security guard positively identified the suspect. The suspect, a 31-year-old Los Angeles resident, was arrested and booked into jail for robbery.

On Thursday, 07-10-25, at approximately 11:39 p.m., officers were dispatched to **Alleman Street and San Pedro Road** on a report of a man down in the street. The victim stated that as he was walking home, he was suddenly punched in the back of the head and fell to the ground. While the victim was on the ground, he was kicked in the stomach and cut, possibly with a knife. The victim believed there were two suspects. The suspects stole the victim's wallet, which contained \$200 and a debit card. A witness described the two possible suspects as males of average build, approximately 5'9" to 5'10" tall, both wearing black or dark-colored hoodies with the hoods up, and dark-colored blue jeans.

## **San Mateo County Alert System (SMC)**

Have you signed up to receive these alerts? This alert is a free digital communication system used by emergency management agencies and first responders to send emergency alerts, notifications, and updates to portable digital devices. In an emergency situation, an alert will be sent by San Mateo County authorized personnel, and you will receive messages on your cell phone or mobile device. Most carriers activate the service automatically. To receive emergency alerts, sign up by visiting [www.smcalert.info](http://www.smcalert.info).

## **Nextdoor.com**

Nextdoor.com is a free private social networking website for your neighborhood. This private network ensures that only those who live in your neighborhood can join; users must go through a verification process. Neighbors ask each other for business recommendations; help in locating missing pets; discuss relevant local government issues; or connect for other reasons. It is very easy to sign up. I like the fact that the site verifies users by addresses, and it won't allow people to access a neighborhood if they don't live there. Please note: The City of Daly City and/or the Police Department cannot see what residents post—we are only allowed to post information. There is also a mobile application, or you can have it sent to your e-mail. Give it a try!
