### Robberies

There were two robberies during the past week.

On Tuesday, 10-07-25, at approximately 9:50 a.m., at the intersection of **Palmcrest Drive** and **Park Plaza Drive**, a victim was robbed of his gold necklace by two unknown suspects who exited the rear passenger door of a silver Toyota Prius. The victim said that one suspect brandished a firearm at him, while the second suspect demanded his gold chain. The second suspect then ripped the chain from the victim’s neck. Both suspects reentered the rear seat of the vehicle, which was driven by a third unknown suspect, and fled the area. The first two suspects were both described as Hispanic males, approximately 20-25 years old, about 5’6” tall, thin builds, wearing white hoodies with the hoods on, face masks, black jeans, and unknown colored shoes. This investigation is ongoing.

On Friday, 10-10-25, at approximately 12:57 p.m., officers were dispatched to the 400 block of **South Mayfair Avenue** on a report of a residential burglary. The victim stated that she was in the kitchen when she heard noises coming from her bedroom. Upon entering her bedroom, the victim noticed that a bag of art supplies was missing from the top of her dresser. The victim then discovered that the window screen had been ripped and removed from its tracks. When she looked outside, she saw a male and female standing directly across the street. The male was holding a bag open with both of his hands, which the victim recognized as the one missing from her dresser. Officers located the suspects at a nearby bus stop and arrested them. The bag of art supplies was found on the ground next to the bus stop bench where one of the suspects was seated. One of the suspects, a 45-year-old Hanford resident, was booked into jail for burglary and petty theft with two or more priors. ### **San Mateo County Alert System (SMC)**

Have you signed up to receive these alerts? This alert is a free digital communication system used by emergency management agencies and first responders to send emergency alerts, notifications, and updates to portable digital devices. In an emergency situation, an alert will be sent by San Mateo County authorized personnel, and you will receive messages on your cell phone or mobile device. Most carriers activate the service automatically. To receive emergency alerts, sign up by visiting [www.smcalert.info](http://www.smcalert.info).

### **Nextdoor.com**

Nextdoor.com is a free private social networking website for your neighborhood. This private network ensures that only those who live in your neighborhood can join; users must go through a verification process. Neighbors ask each other for business recommendations; help in locating missing pets; discuss relevant local government issues; or connect for other reasons. It is very easy to sign up. I like the fact that the site verifies users by addresses, and it won't allow people to access a neighborhood if they don't live there. Please note: The City of Daly City and/or the Police Department cannot see what residents post—we are only allowed to post information. There is also a mobile application, or you can have it sent to your e-mail. Give it a try! [www.nextdoor.com](http://www.nextdoor.com)
