### Free Compost Giveaway

The City of Daly City is partnering with its waste hauler, Republic Services, to host a free compost giveaway event. Compost will be available on a first-come, first-served basis, while supplies last. The event will take place at the Department of Water & Wastewater Resources (153 Lake Merced Boulevard) from 9:00 a.m. to 4:00 p.m. on the following date:

November 12-13, 2025

To participate in the compost giveaway, please bring a sturdy container, shovels, and gloves for this self-serve event. Residents must show proof of residency and are limited to five (5) 5-gallon buckets of compost per household. Events are weather permitting and will be canceled due to rain.

### Sandbags Available While Supplies Last

Sandbags are accessible 24/7 at two locations for residents with proof of residency:

- Department of Water & Wastewater Resources (parking lot) - 153 Lake Merced Blvd.
- Department of Public Works (Corporation Yard entrance) - 798 Niantic Ave.

Limit 10. Please take only what is needed as supplies are limited. When filling sandbags, fill them only halfway, so they are not too heavy to lift and will stack properly.

### **San Mateo County Alert System (SMC)**

Have you signed up to receive these alerts? This alert is a free digital communication system used by emergency management agencies and first responders to send emergency alerts, notifications, and updates to portable digital devices. In an emergency situation, an alert will be sent by San Mateo County authorized personnel, and you will receive messages on your cell phone or mobile device. Most carriers activate the service automatically. To receive emergency alerts, sign up by visiting [www.smcalert.info](http://www.smcalert.info).

### **Nextdoor.com**

Nextdoor.com is a free private social networking website for your neighborhood. This private network ensures that only those who live in your neighborhood can join; users must go through a verification process. Neighbors ask each other for business recommendations; help in locating missing pets; discuss relevant local government issues; or connect for other reasons. It is very easy to sign up. I like the fact that the site verifies users by addresses, and it won't allow people to access a neighborhood if they don't live there. Please note: The City of Daly City and/or the Police Department cannot see what residents post—we are only allowed to post information. There is also a mobile application, or you can have it sent to your e-mail. Give it a try! [www.nextdoor.com](http://www.nextdoor.com)
