The City agrees to provide a Cafeteria Plan Allowance to all employees eligible to participate in City-sponsored health benefits under Section A of this Article. - Employee Only: The City’s contribution for employees who elect employee only medical coverage shall be 100% of the Kaiser Bay Area medical premium. This amount is inclusive of the City’s direct health contributions in Section A1 above.

An employee must provide the attestation every plan year at open enrollment or within 30 days after the start of the plan year.

The opt-out payment cannot be made and the City will not in fact make payment if the City knows that the employee or tax family member doesn’t have such alternative coverage, or if the conditions in this paragraph are not otherwise satisfied. Employees and known dependents who do not provide the annual information required will be enrolled in the lowest cost health plan. This amount is not compensation for retirement purposes as defined by the California Public Employees’ Retirement System.

Cash in lieu is frozen at \$830 per month and the balance shall be added to employee wages. This amount is not compensation for retirement purposes as defined by the California Public Employees’ Retirement System. In the event that an employee in this group purchases health insurance from the City’s Cafeteria Plan Allowance on or after January 1, 2020, and thereafter elects to waive health coverage in the future, the cash in lieu benefit will be reduced to \$500 per month.

D. Grievance Procedure

DEFINITION

A grievance is defined as a condition that exists as a result of an unsatisfactory adjustment or failure to adjust a claim or dispute by an employee or employees relative to the application or interpretation of The Rules and Regulations of the Classified Service, Departmental Rules and Regulations, Memorandum of Understanding, established procedures and policies of the City or Department (whether written or oral) or omissions as to the facts pertaining to a disciplinary matter.

The following shall not be considered a grievance: the means, manner, method or merit of any service or activity provided by law or executive order, collective issues of salary, fringe benefits or working conditions subject to meeting and conferring; and disciplinary action.

No matter shall be considered a grievance until it is first taken up verbally by the employee and/or a representative of his/her choice with his/her immediate supervisor. (In those situations where the nature of the problem involves the immediate supervisor or higher, the problem will be discussed with a supervisor in the next higher rank.)

All grievances shall proceed in accordance with the following:

Step A - An employee who believes that he/she has a grievance shall take up such grievance with his/her immediate supervisor within 24 calendar days of the occurrence of knowledge of the alleged grievance. If the employee fails to do so within such time limit, the alleged grievance may not thereafter be taken up.

The supervisor with whom the problem is discussed shall give a reply within five (5) calendar days. If the aggrieved is not satisfied with the decision, the following step will be taken.

Step B - The grievance may be reduced to writing and submitted to the next higher level of command. The supervisor that receives a grievance will make every possible effort to resolve the problem through discussion with the aggrieved and/or his or her representative, other persons involved, investigation of all the facts, etc., and shall submit a written decision to the aggrieved within five (5) calendar days of receipt of the written grievance. If upon the receipt of the written decision, the aggrieved takes no further action within five (5) calendar days, the grievance will be assumed to be settled. If the aggrieved feels that the decision does not resolve the problem, he or she may proceed to Step C.

Step C - The aggrieved shall submit a copy of the written grievance along with a copy of the written decision and/or other pertinent facts, to the next higher level of command.

The same procedures as outlined in Step B, including the five (5) calendar day limit, will be followed at this level of appeal. If the problem is not resolved, Step C, including the five (5) calendar day time limit, may be repeated up each succeeding step in the chain of command until the Chief of Police receives the grievance. The Chief of Police will render a written decision on the grievance within five (5) calendar days. If at this point the aggrieved feels that the grievance has not be resolved, the aggrieved may appeal the decision of the Chief of Police to the City Manager as outlined in The Rules and Regulations of the Classified Service and/or Memorandum of Understanding.

Step D - Within seven (7) calendar days after receipt of the grievance by the City Manager, there shall be a meeting between the aggrieved employee and/or the Union Business Representative and the City Manager or his/her representative, in an attempt to settle the matter. Within five (5) working days following such meeting, the City Manager shall make a written reply to the grievant.

Step E - If the grievance has not been settled by the procedure described, the grievance may within seven (7) calendar days be submitted to the Daly City Personnel Board, if eligible under The Rules and Regulations of the Classified Service then in effect and in accordance with paragraph F below, or to advisory arbitration in accordance with paragraph G below. The grievant has the right to select the Personnel Board process or advisory arbitration for the appeal, but may not do both.

Step F - The City Council shall act upon the recommendation of the Personnel Board within thirty (30) calendar days following the date of their receipt of the recommendation.

Step G – Advisory Arbitration. If the grievant is dissatisfied with the decision of the City Manager in Step D, the grievant may appeal the grievance to advisory arbitration.

The request for advisory arbitration must be given in writing to the City Manager by the grievant within ten (10) working days from the date of the Step D answer.

An arbitrator may be selected by mutual agreement between the grievant's representative and the City's representative. Should the representatives fail to mutually agree on a arbitrator, they shall make a joint request to the California State Conciliation and Mediation Service, the American Arbitration Association, or some other source mutually agreed upon, for a list of five (5) qualified arbitrators. The parties shall each strike two (2) names from the list and the remaining person shall be accepted as the arbitrator. The first party to strike shall be determined by the flip of a coin.

The jurisdiction and authority of the arbitrator so selected and the opinions the arbitrator expresses will be confined exclusively to the interpretation of the express provision or provisions of the MOU or Rules and Regulations of the Classified Service

at issue between the parties. The arbitrator shall have no authority to add to, subtract from, alter, amend, or modify any provisions of the MOU or Rules and Regulations of the Classified Service or impose any limitations or obligations not specifically provided for under the terms of the MOU or Rules and Regulations of the Classified Service.

The arbitrator shall be without power or authority to recommend any decision that would require the City or the administration to do an act prohibited by law.

The fees of the arbitrator will be born equally by the employee or employee association and the City. However, the City will reimburse up to \$15,000 towards the Police Officers Association cost of arbitration in cases where the City Council goes against the advisory recommendation to the detriment of the employee or Association.

H. Temporary Schedule Changes

Shift bidding shall continue to be governed by Article V ("Administrative Provisions"), Subsection E ("Shift Bids"). However, in the event the Department requires an employee to temporarily modify his/her shift or his/her assignment to accommodate training, pre-planned special operations, or any other circumstances that are temporary in nature (i.e. lasting for less than one pay period), the Department shall provide such employees with written notice of such change, at least 14 calendar days prior to effective date of temporary change. Employees shall then work the temporary work schedule at their regular rate of pay, or the regular rate of pay for the shift/assignment to which they are assigned, whatever is higher.

Alternatively, the Department may require such employees to modify their respective schedules with less than 14 calendar days notice, and compensate such employees at the rate of time and one-half (based upon the higher rate of pay for either the employee's regular shift/assignment, or the temporary shift/assignment) for all hours worked within 14 calendar days of receiving written notice of the change from the Department. Employees shall then receive compensation in the manner described herein above for all remaining scheduled shift hours associated with the temporary change.

Nothing in this MOU shall obligate the Department to compensate an employee at the rate of time and one-half to accommodate a temporary shift/assignment modification requested by the employee. Moreover, nothing in this MOU shall obligate the Department to compensate an employee at the rate of time and one-half to accommodate a temporary shift/assignment modification requested by the Department, if the employee voluntarily agrees to such modification with the express understanding that s/he will not receive overtime compensation in exchange for authorizing the temporary shift/assignment modification with less than 14 calendar days notice. Such understanding should be in writing (including email).

Nothing in this policy shall be interpreted to prevent the Department from mandating schedule changes in the event of exigent circumstances (e.g. riots, protests and other similar event of civil unrest, and earthquakes, fires, and other similar natural disasters).

ARTICLE VII – GENERAL PROVISIONS

A. Safety

The Association will take affirmative actions to encourage individual safety practices by members, particularly as regards vehicular operations, and jointly cooperate with the City in any approved safety programs addressing the reduction of injuries or vehicular accidents on the job.

B. Court Time

Police Officers who are required to be present in court during their off duty hours for criminal and traffic cases arising from the performance of their duties, shall be compensated at time and one-half for the actual hours present in court and, that for appearances when the actual time is four (4) hours or less, the compensation will be four (4) hours at time and one-half. Compensation for court appearances is exclusively reserved for court related activities. The Court time minimum shall not apply when the court appearance commences during an officer's regularly scheduled shift and continues beyond the officer's end of shift. The City shall provide up to a maximum of three (3) hours pay at straight time to off-duty Police Officers who "stand by" to appear in court in performance of their duties for criminal and traffic cases at the direction of the District Attorney's Office. If an off-duty Police Officer on standby is required to actually be present in court, the provision for the four (4) hour minimum pay at time and one-half will replace the Standby Time in full as described above. The City and the Police Officers Association may evaluate this procedure during the term of the agreement and must mutually agree to modify or eliminate same if it creates unforeseen problems to the City or Police Officers.

Employees on telephone standby must confirm at the end of each week whether or not they are to remain on telephone standby the following week, or if they are released from telephone standby. This confirmation should be either verbal or electronic communication with the DDA.

C. CTO Pay-Out Practice

The "Request for Pay Form" attached, as Appendix B, which reflects the payout practice currently being followed in the Police Department, will continue to be used during the duration of this MOU.

D. Mandatory Direct Deposit

All employees will participate in mandatory direct deposit for payroll.

E. Labor/Management Committee

The City and the Union will designate a subcommittee to meet and confer on changes to the Personnel Rules that are within the scope of bargaining and are non-economic. Nothing would be changed of an economic nature (mandatory economic subject of bargaining) without mutual agreement of the parties.

F. Training Offset Time

Effective January 1, 2018, Officers shall be provided a bank of fifty (50) hours of Training Offset Time every two (2) years. Training Offset Time shall be used to supplement training hours where a scheduled training assignment does not meet or exceed the officer's regular work shift(s) (e.g., The employee's regularly scheduled work day is 12.5 hours and he/she attends a 10 hour training course. The employee may use 2.5 hours of Training Offset Time to avoid any loss of compensation resulting from the reduced hours). Training Offset Time shall be counted as hours worked for all payroll purposes.

Training Offset Time may not be used in conjunction with in-house training or firearms qualifications. No more than one-half of an officer's shift may be compensated using Training Offset Time (e.g., for an employee assigned to 10 hour shifts, no more than five (5) hours of Training Offset Time can be used for any one event.)

Training Offset Time may not be cashed out, or used for any other purpose other than the circumstances described above. At the end of the two (2) year period, the Training Offset Time balance will be restored to fifty (50) hours. No employee may have a Training Offset Time balance of more than fifty (50) hours.

When necessary, Department supervisory staff may deny an employee's request to utilize Training Offset Time due to an operational need.

ARTICLE VIII – DURATION

- A. Except as specifically provided, the effective date of this MOU is upon ratification by both parties.
- B. The term of this MOU shall be from July 1, 2022 through June 30, 2025.

ARTICLE IX – COOPERATION BETWEEN PARTIES

- A. The Association and its members agree to actively pursue and jointly cooperate with the City to increase performance and productivity on the job.
- B. It is hereby agreed by the parties that this Memorandum of Understanding provides for the amicable adjustment of wages, hours and conditions of employment. Each party

(including equal employment and fair employment statutes), and shall fully respect the rights, obligations and privileges reserved to the other by such rules, regulations and laws. The Association agrees that during the term of this Memorandum of Understanding there shall be no strike, no picketing, stoppages of work for any cause, no work slowdowns, interruption of the normal conduct of the City's business, or any other job action by any of its members. The City agrees that during the term of this Memorandum of Understanding it will not engage in any lockout of its employees.

APPENDIX C –
DISCIPLINARY APPEAL PROCEDURE

The City's disciplinary appeal procedure provides for an evidentiary hearing before the Personnel Board. The Board has the authority to make an advisory recommendation to the City Council. The City Council has final authority.

A. Personnel Board Appeal Hearing

1. If, within the five (5) day appeal period, the employee involved does not file an appeal, unless good cause for failure is shown, the action of the City Manager or Department Head shall be considered final and binding.
2. If, within the five (5) day appeal period the employee files an appeal as specified in the Letter of Disciplinary Action by sending a letter to the City Manager and copy to the Director of Human Resources, the City Manager shall instruct the Director of Human Resources to request the Personnel Board to set an appeal hearing.
3. At its next regular or special meeting, the Personnel Board shall set a hearing date which shall not be more than sixty (60) days from the date of the filing of the employee's appeal. All interested parties shall be notified in writing of the date, time and place of the hearing at least ten (10) days prior to the date of the hearing.
4. All hearings shall be open unless the employee requests a closed hearing.
5. The Chairperson of the Personnel Board shall issue subpoenas at the request of either the City or the appealing employee prior to the commencement of the hearing. Subpoenas must be served at least twenty-four (24) hours prior to the time attendance is compelled.
6. The hearing need not be conducted according to technical rules relating to evidence and witnesses, except hereinafter provided. Any relevant evidence shall be admitted if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rules which might make improper the admission of the evidence over objection in civil actions. Hearsay evidence may be used for the purpose of supplementing or explaining other evidence, but shall not be sufficient in itself to support a finding unless it would be admissible over objection in civil actions. The rules of privilege shall be effective to the extent that they are otherwise required by statute to be recognized at the hearing, and irrelevant and unduly repetitious evidence shall be excluded.
7. The Chairperson of the Personnel Board shall rule on the admission or exclusion of evidence.
8. Each party shall have these rights:
 - a. To be represented by legal counsel or other person of the party's choice
 - b. To call and examine witnesses
 - c. To introduce evidence

- d. To cross examine opposing witnesses on any matter relevant to the issues
 - e. To impeach any witness regardless of which party first called the witness to testify
 - f. To rebut the evidence against them
9. Oral evidence shall be taken only under Oath.
10. The hearing shall proceed in the following order unless the Chairperson, for special reason, otherwise directs:
- a. The City shall be permitted to make an opening statement.
 - b. The employee shall be permitted to make an opening statement.
 - c. The City shall present its case in chief.
 - d. The employee may then present a defense and offer evidence in support.
 - e. The parties may then, in order respectively, offer rebutting evidence, unless the Chairperson of the Board for good reason permits them to offer evidence upon their original case
 - f. Closing arguments or briefs shall be permitted at the discretion of the Chairperson of the Personnel Board.
11. The Personnel Board shall determine the relevance, weight and credibility of testimony and evidence and shall base their findings on the preponderance of evidence.
12. The Personnel Board shall render its “Findings, Recommendations and Conclusions” as soon as possible after the conclusion of the hearing and no later than ten (10) days after conducting the hearing unless otherwise stipulated by the parties. The Board’s Decision shall set forth the recommendations as to each of the charges and the reasons therefore.
13. The Personnel Board may recommend to the City Council the sustaining or rejecting of any or all of the charges filed against the employee. The Board may recommend sustaining, rejecting, or modifying the disciplinary action invoked against the employee.

B. City Council Appeal Hearing

The decision of the Personnel Board is **advisory** only. The proposed decision shall be filed with City Council and served on the employee. If a suspension, dismissal or demotion is not sustained by the City Council, they shall set forth the recommended effective date the employee is to be reinstated, which may be any time on or after the date the disciplinary action went into effect. If the Council does not sustain or modifies a suspension, they shall set forth the effective dates of the modification, which may be any time on or after the date the suspension went into effect.

The matter is set before City Council at the next scheduled meeting that falls more than five days from the filing of the proposed decision. The City Council hearing shall be open unless the employee requests a closed hearing. The hearing shall consist of summary arguments by the City’s representative and the employee’s representative.

The City Council may recess to Closed Session to deliberate after the presentation of the summary arguments. The City Council announces in Public Session its determination; it may affirm, deny, or modify the Personnel Board’s recommendation. The determination of the City Council is final and binding.
