## Notable Cases

On Monday, 11-23-20 at approximately 3:30 p.m., **Officer Haas** was dispatched to the parking lot of **Original Joe's of Westlake** on a report of a man driving recklessly, revving the engine of his vehicle, and was also reported as falling asleep behind the wheel. Dispatchers advised the vehicle had left the parking lot and was going toward **Westlake** but then went back to the restaurant parking lot. **Officer Haas** and **Officer Hightower** arrived to see the vehicle was parked in front of the restaurant, blocking the entrance and causing a back-up of cars behind him. The driver, a 53-year old San Francisco resident, had a strong odor of an alcoholic beverage coming from his person and was incapable of stepping out of his vehicle, due to his intoxication. After he was out of the vehicle, the driver was unable to complete the field sobriety tests. **Officer Haas** placed him under arrest for driving under the influence.

On Thursday, 11-26-20 at approximately 8:19 p.m., a 40-year old male was struck by a possible 2011-2014 Toyota Sienna minivan with damage on the front passenger side of the vehicle. The passenger side headlight was broken as a result of the collision. After the collision, the suspect vehicle briefly swerved towards oncoming traffic and nearly struck a vehicle traveling the opposite direction. This occurred on **Geneva Avenue**, just west of **Bayshore Boulevard**. The suspect vehicle did not stop, and the victim was pronounced deceased at the scene. Investigators are currently working on the case.

On Friday, 11-27-20 at 10:31 p.m., **Officer Jackson-Berrios** was dispatched to the **Serramonte Shopping Center** on a report of a just-occurred robbery. The officer contacted the victim, a 20-year old Daly City resident, who said he was dropped off by a ride share in the area of **Crunch Fitness** when he was walking on the sidewalk towards **Classy Nails**. The victim said a black truck occupied by approximately five or six Hispanic pulled up to him, and the front passenger asked if he knew his way around the area. The victim said he gave directions, and the occupants of the truck began yelling insults at him. The victim said he walked towards the vehicle and challenged the group by telling them

to get out of the car. The victim could not recall how many people got out of the truck, but he said several people got out, swarmed him, kicked and punched him. The victim believed he was hit approximately 15 times. He said the subjects got back into the truck and left the area. The victim's cellphone fell out of his pocket during the incident, and he could not find it. He also suffered from abrasions to his face and hands, a loose tooth, and pain to his elbow. The victim described the main suspect as a Hispanic male in his approximate 20's, 6'0", short wavy black hair, wearing a black hooded sweatshirt and black pants. This case is under investigation.

On Saturday, 11-28-20 at 6:10 p.m., **Officer Shiu** and **Officer Luis** were dispatched to the **Westlake Shopping Center** on a report of shoplifters at **DSW Shoes**. The manager pointed to a vehicle and said the shoplifters concealed items and entered a nearby vehicle. The officers attempted to stop the vehicle, and the vehicle took off recklessly at a high rate of speed. The vehicle failed to yield, and the officers did not pursue the vehicle, due to the risk of public safety. **Officer Luis** said as he was driving back to **DSW**, a person in another vehicle stuck an arm out of the window and pointed towards the **Westlake Apartments** on **Poncetta Drive**. The **DSW** employee said she saw subjects in the store, and she asked the male if he was all set to check out. The reporting party said she stepped away and called 911, as she recognized the female from previous thefts in the store, as well as other **DSW** stores within the Bay Area to Sacramento. The reporting party said the two subjects started placing items—leggings and handbags—into a bag and walked out of the store. **Officer Shiu** relayed the information to the officers in the Crime Suppression Unit, and they found the vehicle, along with the male—a 15-year old Citrus Heights resident. The merchandise, totaling over \$6,300, was recovered. **Officer Luis** cited the juvenile and released him to the custody of his grandmother. This case is still being investigated in order to identify the other suspect.
