### Notable Cases

On Monday, 12-07-20 at 2:12 a.m., **Officer Todaro** conducted a check of an occupied parked vehicle at the **Hillside Boulevard Exxon Mobil** gas station that was closed for the evening. The occupant, a 50-year old Watsonville resident, was subsequently arrested for being a felon in possession of a firearm, possession of ammunition by a prohibited person, possession of a controlled substance (methamphetamine), and possession of unlawful paraphernalia.

On Tuesday, 12-08-20 at 10:11 p.m., **Officer Fulmore** was in the parking lot of the **Loop Gas** station on **Hillside Boulevard** and saw a motorcycle without a rear license plate parked in a stall in front of the convenience store. As he got closer to the motorcycle, **Officer Fulmore** saw that the motorcycle was painted gray over the original color. He looked for a VIN but could not see it, as it was covered by paint. The ignition of the motorcycle was removed and replaced with a toggle switch. A male exited the store and removed his helmet. The officer asked the subject if the motorcycle belonged to him, and the subject said he had recently purchased the bike from a friend in San Jose. The officer asked to see the paperwork, and the subject said it was in his backpack. The officer asked the subject if he had identification, and the subject said he knew he shouldn't be driving and verbally provided his name. The subject, a 33-year old Daly City resident, did not have driver's license and was on probation. The officer asked to see the paperwork for the motorcycle, and the subject said it was actually at his mom's house in Daly City. **Officer Wagnon** arrived to assist in looking for the VIN, and he discovered the motorcycle was stolen from San Jose in September 2019. The subject changed his story about the motorcycle several times, saying he actually had it for a few months and purchased it from someone in San Jose. He told the officers he didn't think it was strange to purchase a vehicle for cash and not receive a title. Due to COVID-19 protocols, **Officer Fulmore** could not book the subject into jail. A complaint will be sought against the subject for possession of a stolen vehicle.

On Thursday, 12-10-20 at approximately 11:53 p.m., **Officer Greene** was dispatched to a call of an in-progress burglary at the **Autozone** on **Mission Street**. The reporting party was off-site monitoring the video surveillance and saw a male subject break the glass door and enter the business. The reporting party gave a description of the suspect, and he was not on the premises when **Officer Greene** arrived. At approximately midnight, **Officer Fulmore** found a subject matching the description on the 3100 block of **San Jose Avenue**. The suspect, a 36-year old transient, was on probation. The officers searched the subject's possessions, and several items were the property of **Autozone**. Due to COVID-19 restrictions, the subject was not booked in jail. He was cited for commercial burglary, felony vandalism, and possession of burglary tools.

On Saturday, 12-12-20 at 2:00 p.m., **Officer Chittenden** was dispatched to the area in front of the **Trader Joe's** store on a report of a disturbance involving mall security and a subject threatening security with an object. **Officer Smith** and **Officer Perdomo** advised they were talking with the suspect, a 44-year old Daly City resident. The reporting party, a **Walgreen's** employee, said he told the subject to leave the store. He said the subject was holding a fork in his hand between his closed fist—as if it was a stabbing implement. The reporting party said the subject went to the bathroom and spent approximately 20 minutes inside the bathroom. The reporting party said he could smell something burning inside, and when he went inside, he said the subject came out eating an ice cream sandwich. The reporting party told the subject two more times to leave, and the subject ignored him. The subject had a single .40 caliber bullet in his person. This case will be forwarded to the San Mateo County District Attorney's Office for prosecution for possession of ammunition and trespassing.

On Sunday, 12-13-20 at approximately 4:02 p.m., an 18-year old San Francisco resident was arrested for driving under the influence of alcohol. This occurred following a traffic collision on the 800 block of **Brunswick Street**.

On Sunday, 12-13-20 at approximately 7:04 p.m., officers were dispatched to the **Westlake Shopping Center Target** store on a report of three Asian male adults who pulled a gun out on an Asian male adult. The reporting party said he was sitting outside when he saw two males entering the store. He heard one of the security guards not to let the males enter, but the subjects left but then entered the store again. As the two subjects went outside, one of the subjects pulled a small black firearm from the front of his pants, and pulled the slide back and said, "What's up, what's up." The suspects left the area in a black Lexus. Officers found the vehicle and the two suspects in the area of **Mission Street** and **School Street**. When they searched the vehicle, they found two firearms. One subject, a 17-year old Daly City resident, was arrested for assault with a deadly weapon, brandishing, carrying a loaded firearm in a public place, carrying a loaded firearm concealed while not the registered owner, carrying a concealed weapon in a vehicle, and possessing a concealed firearm as a juvenile. The other subject, an 18-year old Daly City resident, was arrested for assault with a deadly weapon, brandishing, carrying a loaded firearm in a public place, carrying a loaded firearm concealed while not the registered owner, and carrying a concealed weapon in a vehicle. There was another occupant, a 20-year old San Jose resident, in the vehicle, but he was not charged.

On Tuesday, 12-15-20 at 3:26 a.m., **Officer Wagnon** conducted a traffic enforcement stop in the area of **Bellevue Avenue** and **Acton Street**. During the enforcement stop, **Officer Wagnon** found a floor jack and multiple tools commonly used in the theft of catalytic converters. One of the passengers in the car said they hadn't stolen any catalytic converters but eluded to the fact that they were on a scouting mission. That subject, a 38-year old San Pablo resident, was cited for possession of burglary tools and possession of a controlled substance. The driver, a 49-year old Oakland resident, was cited for possession of burglary tools and for driving with a suspended/revoked driver's license. The other passenger, a 35-year old Oakley resident, was cited for possession of drug paraphernalia.

On Wednesday, 12-16-20 at approximately 7:40 p.m., a 10-year old Daly City resident and his 50-year old father were reported as missing persons after the father left their apartment on **Cerro Drive** with his son and didn't tell anyone where he was going. The reporting party feared the father, a drug user, was going to sell his son for drugs. At approximately 10:10 p.m., the two had returned safely. The father was under the influence of a controlled substance and was placed under arrest.

On Sunday, 12-20-20 at approximately 6:11 p.m., several officers were dispatched to an apartment on the 7500 block of **Mission Street** on the report of a male who was hallucinating. The reporting party told the dispatcher that the subject was becoming aggressive and grabbed a knife, preventing the family from leaving the house. Over a half dozen officers arrived, and the 31-year old suspect was subsequently arrested for false imprisonment and assault with a deadly weapon via holding a knife to his 25-year old sister's neck. The subject was also charged with being under the influence of a controlled substance. An emergency protective order was served.

## Scams/Other

### DEA Scam

I have reported about this in the past, but it bears repeating. On Tuesday, 12-08-20 at 10:00 a.m., a 53-year old Daly City resident (victim) received a phone call from a male who identified himself as “El Paso DEA Agent Xavier Smith”, who told him that his identify was being used to traffic cocaine from Mexico into El Paso, Texas. The caller went on to say that the victim’s bank accounts were frozen by the DEA, and the suspect advised him to drain his bank accounts by using gift cards. The victim said the caller told him he needed to cooperate with the investigation, or they would send the local sheriff to his house to arrest him. The victim purchased five Target gift cards totaling \$2,500. Almost an hour later, “Agent Smith” phoned again and requested the numbers from the gift cards. After the victim gave the caller the numbers, the caller hung up the phone. The victim called the number back, and the number was disconnected. He called the El Paso DEA, and they advised him he was the victim of a scam.

This type of scam comes in many iterations. The caller may represent him/herself as a DEA Agent, IRS Agent, Social Security Agent, or another government agent. None of these organizations would advise anyone to buy store gift cards to clear up an investigation. These people are convincing and good at what they do. Please do not fall prey.

### Apple iPhone Support Scam

On Wednesday, 12-09-20 at 2:00 p.m., a 70-year old Daly City resident was the victim of a scam, and the loss was \$10,000. The victim said she was recently having problems with her iPhone, and she did a Google search for “Apple iPhone support” and found a website and phone number she believed was Apple. The victim said she called, and the male who answered claimed to be from Apple Tech Support. She said after briefly talking to him, the line disconnected, and the male called her again from a different phone number. The male convinced the victim to download the “Screen Share” application from the Apple store so he could help her fix her phone. The victim said after she downloaded the application, her phone was controlled by the male, and he began opening different banking applications and cash transfer applications, including “Cash App”, “Boom Pay”, “BANX”, and “Bitcoin”. The male told the victim he needed to verify these applications to make sure that her account information was secure, and he needed a picture of her credit card. The victim provided the male with a photo of her credit card and her written name. The victim said the male had access to her phone and was on the phone with her for approximately two hours. After speaking to the male, the victim checked her Wells Fargo Bank account and noticed \$10,000 in various transactions. The victim contacted her bank, and they froze the account.
