DALY CITY GARAGE LIGHTING PROJECT GARAGE CLOSED FOR SIX WEEKS STARTING MARCH 8, 2021 (ADA SPACES WILL REMAIN OPEN)

Dear Customer:

On Monday, March 8, 2021, the the garage at Daly City Station will be closed for approximately six weeks to allow our contractor to retrofit and upgrade the garage lighting. The garage will be closed completely except for ADA parking which will remain available throughout the construction. (See map).

This is part of a larger lighting improvement project that will upgrade and improve the lighting in 14 of our station garages throughout the system. This program will replace over 10,500 fixtures and add new lighting controls that will make the lighting in the garages more energy efficient, brighter, and in keeping with our sustainability goals.

Daly City is the fifth garage in the project. The rest of the garages will follow until the project is completed in October of 2021. We will provide updates as necessary during the project.

The 14 station garages that are part of this project are: Hayward, Walnut Creek (BART-owned only), Millbrae, Fruitvale, Daly City, Pleasant Hill, Concord, San Bruno, MacArthur, Colma, Dublin/Pleasanton, Richmond, El Cerrito Del Norte, and South San Francisco.

We apologize for any inconvenience and appreciate your patience.
