## Notable Cases

On Wednesday, 03-10-21 at 8:02 p.m., **Officer Fulmore** was on patrol in the area of **Washington Street** and **Sullivan Avenue** and saw a pedestrian walking behind two 5' tall bushes that had a gap between them. The officer saw the subject peeking out towards his patrol vehicle and was moving something around the bush. **Officer Fulmore** exited his vehicle and said the subject started walking away from the bushes and removed latex gloves from his hands and threw them on the ground. The officer asked the subject what he was doing, and the subject said he was taking out the trash. The officer did not see any trash bags or dumpsters near the area where he was walking. **Officer Fulmore** asked the subject why he was hiding, and he said he was scared of getting a littering ticket. The officer advised the subject not to litter, and he let the 41-year old subject return to his nearby residence. The officer walked over to the bushes and noticed a black box near a bush. The officer opened the box and found a .45 caliber Colt 1911 handgun and six empty .45 magazines. in the driveway. The victim exited her vehicle and proceeded to her front door. While attempting to open the front door, the victim said she heard someone running from behind her without saying anything, and then she immediately felt a violent tug to her left shoulder and realized someone was trying to pull her backpack away from her. The victim said she tried to pull on the backpack to prevent the suspect from taking it when she noticed the suspect was holding a black handgun. The victim said the suspect pulled on the backpack with enough force to drag her, and then she fell forward on the pavement. ### **San Mateo County Alert System (SMC)**

Have you signed up to receive these alerts? This alert is a free digital communication system used by emergency management agencies and first responders to send emergency alerts, notifications and updates to portable digital devices. In an emergency situation, an alert will be sent by San Mateo County authorized personnel and you will receive messages on your cell phone or mobile device. Most carriers activate the service automatically. To receive emergency alerts, sign up by visiting [www.smcalert.info](http://www.smcalert.info). According to County records, Daly City has the lowest number of registered users in the county. Please sign up today!

### **Nextdoor.com**

Nextdoor.com is a free private social networking website for your neighborhood. This private network ensures that only those who live in your neighborhood can join; users must go through a verification process. Neighbors ask each other for business recommendations; help in locating missing pets; discuss relevant local government issues; or connect for other reasons. It is very easy to sign up. I like the fact that the site verifies users by addresses, and it won't allow people to access to a neighborhood if they don't live there. Please note: The City of Daly City and/or the Police Department cannot see what residents post—we are only allowed to post information. There is also a mobile application, or you can have it sent to your e-mail. Give it a try! [www.nextdoor.com](http://www.nextdoor.com)
