## Notable Cases

On Monday, 04-05-21 at approximately 8:18 a.m., **Officer M. Martin** was on patrol in the area of **John Daly Boulevard** and **Park Plaza Drive** and saw a subject walk into a lane of traffic. Several cars went around the subject and honked their horns. The subject stayed in the lanes before the officer asked him to get on the sidewalk. The subject gave the officer a name that did not result in a match. The subject gave the officer several other names and became frustrated with the officer. The subject's identity was finally verified, and he had a no-bail felony warrant from the California Department of Corrections, and he was also reported as a missing person from San Francisco. The 43-year old subject had methamphetamine in his possession, and he was arrested for the warrant, giving false information to a police officer, and possession of methamphetamine.

On Monday, 04-05-21 at about 2:28 p.m., a passerby saw a subject steal merchandise from the **TJ Maxx** store and flagged down a passing officer. The officer confronted the subject who was getting into his vehicle, and the subject refused orders to stop. The subject accelerated his vehicle forward, pinning the officer against his car and another car, causing damage to the officer's patrol car, as well as the parked car. The officer also sustained minor injuries. The subject fled the scene onto Highway 280, and officers observed the subject traveling at speeds in excess of 100 mph. The subject made unsafe lane changes, changing three lanes at a time, as well as driving on the left shoulder to go around cars at speeds of 80 mph. The subject crashed his vehicle into a vehicle stopped in traffic and hit a guardrail on Highway 101 and Cesar Chavez Boulevard. The subject then reversed his vehicle and intentionally rammed a marked Daly City Police Department patrol vehicle. The subject got out of his vehicle and ran from officers who were pursuing him on foot. During the foot pursuit, the subject kidnapped and carjacked a victim at a nearby Burger King on Bayshore Boulevard in San Francisco. The subject got into the backseat of the vehicle and instructed the driver to drive him to Oakland. The victim believed the subject had a weapon and feared for his safety. The CHP later observed the

vehicle and attempted to conduct a traffic stop. The vehicle initially yielded but fled the stop. The CHP later deployed spike strips, disabling the vehicle, and the subject fled on foot from the scene. The subject was later apprehended in San Francisco. The subject, a 56-year old Oakland resident, was booked into the San Mateo County Jail for two counts of assault with a deadly weapon, robbery, kidnapping, evading police, two counts of hit and run, burglary, reckless driving, and resisting arrest.

On Tuesday, 04-06-21 at approximately 3:35 p.m., **Officer Todaro** was dispatched to the unit block of **Fairlawn Avenue** on a report of a just-occurred robbery. **Detective Yip** arrived to translate, as the victim spoke Cantonese. The 67-year old victim said she and her husband had just arrived home from going to the bank and grocery shopping. The victim was approaching the stairs leading to her front door when she felt her purse being pulled from her right shoulder. Once the victim realized someone was trying to take her purse, she held on and attempted to pull it back to her. During the struggle, she fell to the ground, and while still holding onto her purse, she was dragged on her knees for an unknown distance. The victim said she was unable to maintain control of her purse, and the suspect eventually took it from her and fled on foot. The victim described the suspect as a black male, approximately 30 years old, short black hair, approximately 5'9" with an average build. The suspect wore a black shirt and unknown colored pants. This investigation is continuing.

On Thursday, 04-08-21 at approximately 8:00 p.m., **Officer Risslen** was dispatched to the police station parking lot to take a report. The reporting party said he was a victim of an assault that occurred earlier in the day. The 27-year old victim said he has an arrangement with a former co-worker to be a paid housekeeper at one of the co-worker's investment properties on the unit block of **Knowles Avenue**. The victim said around 5:00 p.m., the former co-worker (suspect) called him and complained about the tidiness of the property and wanted to meet him there. When they met, the victim said the suspect started to yell at him and slapped him in the head and face an unknown amount of times. The victim said the suspect then grabbed his neck and throat area and held a grip for less than three seconds. The victim said the suspect then kicked at his legs, punched him 20-30 times with a closed fist to his head, arms and torso. The victim said he did not attempt to fight back, but instead curled up on the floor in an attempt to defend himself. The victim said the suspect then grabbed a wooden car window washing stick and hit the victim in the arms, breaking the stick. The suspect then picked up the sharpened piece and used it to stab at the victim's arms several times. The victim said the suspect then told him to go to the store to buy more decorations for the rental property. The victim said he would, but he did not do so. The officer summoned the paramedics to look at the victim's injuries, and the victim refused medical attention at the scene. The victim showed the officer a video capture of the initial assault, as well as the broken car washing stick. Officers then went to the 36-year old suspect's residence in Daly City and subsequently arrested him for assault with a deadly weapon.

On Friday, 04-09-21 at approximately 5:09 a.m., several officers were dispatched to the unit block of **Crestwood Drive** on a report of a possible vehicle collision. The dispatchers said there was a language barrier with the reporting party/victim. With the assistance of an Arabic translator, the officers learned that the 26-year old victim said he was sitting in his 2017 Toyota Prius with the doors unlocked and engine running when an unknown subject opened the front passenger door and identified himself as a police officer and military member who needed his vehicle. The victim said the subject walked around the front of the vehicle towards the driver's door and flashed an I.D. card, again identifying himself as a member of the military. The victim said he asked to look at the subject's I.D. card, and he said the subject demanded him to get out of the vehicle. Fearing for his safety, the victim got out of the car, and as he did, he noticed the subject was holding a small dagger knife in his hand. The victim said the subject sped away in his vehicle. The victim had the key, and the vehicle would not start again without the key. On Saturday, 04-10-21, the Sacramento Police Department recovered the vehicle.

### **San Mateo County Alert System (SMC)**

Have you signed up to receive these alerts? This alert is a free digital communication system used by emergency management agencies and first responders to send emergency alerts, notifications and updates to portable digital devices. In an emergency situation, an alert will be sent by San Mateo County authorized personnel and you will receive messages on your cell phone or mobile device. Most carriers activate the service automatically. To receive emergency alerts, sign up by visiting [www.smcalert.info](http://www.smcalert.info). ### **Nextdoor.com**

Nextdoor.com is a free private social networking website for your neighborhood. This private network ensures that only those who live in your neighborhood can join; users must go through a verification process. Neighbors ask each other for business recommendations; help in locating missing pets; discuss relevant local government issues; or connect for other reasons. It is very easy to sign up. I like the fact that the site verifies users by addresses, and it won't allow people to access to a neighborhood if they don't live there. Please note: The City of Daly City and/or the Police Department cannot see what residents post—we are only allowed to post information. There is also a mobile application, or you can have it sent to your e-mail. Give it a try! [www.nextdoor.com](http://www.nextdoor.com)
