Date: June 14, 2021 **Time:** 7:00 p.m.

Place: [Zoom] City Council Chambers, 333 90th Street, Daly City 94015

Written protests will not be accepted by facsimile. Verbal protests will not be counted in determining the existence of a majority protest. To be counted, a protest must be received in writing by the City Clerk before the close of the Public Hearing referenced above.

If valid written protests are presented by a majority of owners and/or tenants-customers of parcels receiving solid waste, recycling, and green waste services within the City limits, then the City will not adjust the rates for the services.

Reasons for the Proposed Rate Increase

The Proposed Rate Increase, amounting to an 8.1% increase for solid waste, recycling, and green waste services is necessary for Republic Services to continue to provide safe, environmentally sound, and reliable solid waste, recycling and green waste collection, transportation and disposal or processing services to the residents of the City. Several factors have contributed to these increased costs, including, but not limited to: increased wages and benefits for collection drivers and helpers under collective bargaining agreements; additional route personnel and operating costs for increased tonnages collected; increased post collection costs for higher volumes and tipping fee rate increases; and, landfill post closure monitoring and maintenance costs.

Basis of the Proposed Rate Increase

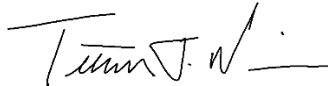

The major components of the 8.1% proposed rate increase are outlined above. Changes to the existing solid waste, recycling, and yard waste collection rates are to cover Republic Service's costs and related City fees in accordance with the Franchise Agreement. Republic Service's has requested a rate adjustment in accordance with its Franchise Agreement with the City.

The proposed rates for Fiscal Years 2022 and 2023 reflect an increase of 8.1% effective on July 1, 2021, which include the Rate Period commencing July 1, 2021 to June 30, 2023. For more information regarding this Public Hearing and Proposed Rate Increase please visit the City's website at www.dalycity.org or call (650) 991-8166.
