After the suspect inspected the shoes, the victim placed the shoes back in the box. The suspect then began to look in his pockets and his friends' belongings, advising he could not find his money. The suspect then punched the victim in the face. The victim fell to the ground, and four males proceeded to either stand around him or strike him as he covered his head. The victim's girlfriend also tried to protect the victim by covering his body and she was also hit in the arm. The victim yelled, "Take the shoes." ### Youth Unlimited Pilot Program

In partnership with the San Mateo County Office of Education, SamTrans is launching a six-month pilot program from January 1 through June 30, 2022. Known as the Youth Unlimited pilot program, it provides free SamTrans bus fares for Socioeconomically Disadvantaged (SED) students, as defined by the [California Department of Education](#). SED students include students that are eligible for the Free and Reduced-Price Meal program, students experiencing homelessness, foster-youth, migrant students, and students whose parents did not graduate high school.

The overall goals of the program are to reduce transportation costs for low-income families, attract new and more frequent riders, and understand the potential operational impacts of providing free fares to some or all youth riders.

How do I get a Youth Unlimited pass?

School districts and individual schools are responsible for distributing the passes to eligible students. Contact your school if you believe you are eligible and haven't received a pass.

### **Nextdoor.com**

Nextdoor.com is a free private social networking website for your neighborhood. This private network ensures that only those who live in your neighborhood can join; users must go through a verification process. Neighbors ask each other for business recommendations; help in locating missing pets; discuss relevant local government issues; or connect for other reasons. It is very easy to sign up. I like the fact that the site verifies users by addresses, and it won't allow people to access a neighborhood if they don't live there. Please note: The City of Daly City and/or the Police Department cannot see what residents post—we are only allowed to post information. There is also a mobile application, or you can have it sent to your e-mail. Give it a try! [www.nextdoor.com](http://www.nextdoor.com)
