### Youth Unlimited Pilot Program

In partnership with the San Mateo County Office of Education, SamTrans is launching a six-month pilot program from January 1 through June 30, 2022. Known as the Youth Unlimited pilot program, it provides free SamTrans bus fares for Socioeconomically Disadvantaged (SED) students, as defined by the [California Department of Education](http://www.cde.ca.gov). SED students include students that are eligible for the Free and Reduced-Price Meal program, students experiencing homelessness, foster-youth, migrant students, and students whose parents did not graduate high school.

The overall goals of the program are to reduce transportation costs for low-income families, attract new and more frequent riders, and understand the potential operational impacts of providing free fares to some or all youth riders.

### **Nextdoor.com**

Nextdoor.com is a free private social networking website for your neighborhood. This private network ensures that only those who live in your neighborhood can join; users must go through a verification process. Neighbors ask each other for business recommendations; help in locating missing pets; discuss relevant local government issues; or connect for other reasons. It is very easy to sign up. I like the fact that the site verifies users by addresses, and it won't allow people to access a neighborhood if they don't live there. Please note: The City of Daly City and/or the Police Department cannot see what residents post—we are only allowed to post information. There is also a mobile application, or you can have it sent to your e-mail. Give it a try! [www.nextdoor.com](http://www.nextdoor.com)
