HOUSING ELEMENT WORKSHOPS

MAY 19th and JUNE 2nd, 6pm to 8pm

The City of Daly City invites residents and other interested parties to attend one or both community workshops to discuss the City's Draft Housing Element. The Housing Element identifies and policies and programs the City intends to implement over the next eight years to meet the housing needs of Daly City's growing population and to affirmatively further fair housing in Daly City.

Both workshops will be held virtually, the first on Thursday, May 19, 2022, and the second on Thursday June 2, 2022. Both workshops will be held between 6pm and 8pm.
