

Ray Buenaventura

Candidate Statement

I'm running for re-election to the Daly City Council. I'm currently the Vice-Mayor and have been on the Daly City Council since 2011. I'm also an attorney by profession. I am also a pilot and Captain with Civil Air Patrol, an auxiliary of the United States Air Force. I live in the Westlake area of Daly City. You might have seen me walking my dog or know my son Max as he often plays piano for our seniors at the Doelger Senior Center.

As the most senior member of the Council, I have provided strong and steady leadership. I kept my promise to save Seton Hospital, Restore Engine 95, and balance the budget.

I have a record of supporting public safety but also of initiating reforms, including the use of mental health professionals, gun buyback programs, and social justice programs. Daly City continues to be one of the safest cities in the Peninsula.

My other top priorities include Affordable Housing, Increased Revenues, Supporting Small Businesses, Maintaining Libraries, and Increased Programs for Seniors and Youths.

I am endorsed by Supervisor David Canepa, Senator Scott Wiener, Assemblymember Phil Ting, Mayor Rod Daus-Magbual, and former Mayor Juslyn Manalo.

I would be honored to have your vote on November 8, 2022. www.RayBuenaventura.com
