

ROD DAUS-MAGBUAL Age: 43

Occupation: Executive Council Member/Professor/Executive Director

Education and Qualifications:

I currently serve as the Mayor of Daly City and I am seeking re-election for Daly City Council. My platform is focused on Covid-19 relief, housing for all, youth civic engagement, a greener community, public safety, and community and economic development. These issues are important to me because they are examples that represent my experience as a community college professor, community leader, and as a father and husband. I come from an immigrant background where my mom was a registered nurse and my father held multiple blue collared jobs. I have been a faculty member at Skyline College for the past 18 years and I lead a non-profit dedicated to advancing Ethnic Studies by serving youth and students to become the next generation of leaders. I served on the Library and Planning Commission boards in Daly City and currently serve on the Board of Peninsula Clean Energy. I am endorsed by Supervisor David Canepa, Senator Scott Wiener, Assemblymember Phil Ting, Vice Mayor Ray Buenaventura, and former Mayor Juslyn Manalo. This city has been home to my family for 20 years and we want to continue to flourish. With your vote, let us work together and turn hope into action. visit:
