The suspect also put a gold chain around the victim's neck and two gold rings on her right fingers. The suspect then asked for a glass of water. When the victim went upstairs to get water, the victim's husband entered the garage. The suspect placed a gold and green bracelet on his right wrist and a gold chain around his neck. This private network ensures that only those who live in your neighborhood can join; users must go through a verification process. Neighbors ask each other for business recommendations; help in locating missing pets; discuss relevant local government issues; or connect for other reasons. It is very easy to sign up. I like the fact that the site verifies users by addresses, and it won't allow people to access a neighborhood if they don't live there.
