Holiday Tree Recycling

Holiday tree collection will occur on your collection day from December 26, 2022 through January 27, 2023. Before placing trees out for recycling, remember to:

- Remove stands, lights, tinsel, ornaments and other decorations
- Cut trees into 6-foot lengths
- Put trees at the curb, next to your Compost cart
- Flocked trees accepted but cannot be recycled

After January 27, trees must be cut to fit completely inside your Compost cart.

Cardboard Recycling

Remember that your cardboard needs to be flattened and cut (if needed) to fit easily inside your Recycle cart.

If you have more cardboard than fits in your cart, the same guidelines apply. It must be flattened and cut to fit easily inside your Recycle cart. Place any extra cardboard next to your Recycle cart following these requirements.

If able, take pictures and videos of the dumping. Keep a safe distance and do not engage with the violators.
