## Public Meetings Are Now Hybrid!

Members of the public can now attend public meetings either in-person or virtually. Please be sure to reference the published meeting agendas for more information at [www.dalycity.org/agendas](http://www.dalycity.org/agendas).

## Mission on a Mission

The Mission Street Streetscape Project will improve pedestrian safety and beautify Mission Street between Crocker and Templeton Avenue. The project will widen the existing concrete median from 3 to 7 feet, plant drought-tolerant median landscaping and install an irrigation system.

The project will include pedestrian improvements that support the City's Vision Zero goal of eliminating traffic fatalities and serious injuries. The City will install bulb-outs and extend median noses further into the intersections at Wilson Street, Goethe Street, Evergreen Avenue and Rice Street to shorten crosswalk distances and provide a pedestrian refuge at the median. Narrower vehicle lanes will calm traffic by encouraging slower driving speeds, and new high-visibility crosswalks, improved pedestrian signage, rectangular flashing beacons and pedestrian streetlights will enhance pedestrian visibility at crosswalks.

Construction is proposed to run from November 2022 to Spring 2023. This project is funded by San Mateo County Transportation Authority Measure A and Transportation Development Act (TDA) Article 3 grants. If you have any questions or concerns, please contact Roland Yip, Project Manager, at (650) 991-8155.

## Making Daly City an Age-Friendly Community

Daly City was designated an Age-Friendly City by the World Health Organization (WHO) and AARP Network of the Age-Friendly States and Communities on June 25, 2020. Age-Friendly Communities are those whose leaders commit to upholding the eight domains of livability:

Communication and Information

Social Participation

Respect and Social Inclusion

Civic Participation and Employment

Outdoor Spaces and Buildings

Community and Health Services

Transportation

Housing

As our population rapidly ages, Daly City wants to help our older adults live their best lives possible, but we need your help. Over the next year, we will research, create, implement and communicate a workable plan focusing on the livability domains identified as the most important by the community.

Your feedback will help form the City's Age-Friendly Action Plan. The City will launch an Age-Friendly Survey that will be available on the City's dedicated Age-Friendly webpage. Check back in late January, early February to follow along on the process and share your feedback by visiting [www.dalycity.org/agefriendly](http://www.dalycity.org/agefriendly).

## Apply for the Daly City Youth Poet Laureate Program!

Daly City is calling all poets, spoken word artists, writers and rappers! The Daly City Public Library Associates (DCPLA) is proud to announce the 2023-2024 Daly City Youth Poet Laureate program. The DCPLA is partnering with the National Youth Poet Laureate Program to celebrate teen poets committed to artistic excellence, civic engagement, leadership and social justice. Interested residents must submit their applications by January 31, 2023. **Apply online at [DCPLA.org/youthpoetlaureate](https://dcpla.org/youthpoetlaureate).**

Applicants must meet the following criteria:

- Reside or attend school in Daly City of Broadmoor
- Be between the ages of 13-18 years old by the application deadline
- Live locally to serve as Laureate for the program year, May 2023–May 2024

The selected Youth Poet Laureate will receive the following:

- \$5,000 Honorarium
- VIP status to represent Daly City at community events between May 2023–May 2024
- Publication of 5 poems in the National Youth Poet Laureate annual anthology by Penmanship Books

For additional information, email DCPLA Executive Director Victoria Magbilang at [info@dcpla.org](mailto:info@dcpla.org) or call (415) 596-8194.

## C.L.E.A.N. Enforcement Phase *See Something, Say Something*

The Enforcement phase is in full effect. The City applauds its C.L.E.A.N. Champions for following the motto: See Something, Say Something! The City’s Illegal Dumping Taskforce has successfully pursued violators for dumping in our City with the community’s help.

If you see dumping in progress, call the Police Department at (650) 992-1225. Try to get a good description of the person dumping, the location, the vehicle used to transport the debris and, if possible, the vehicle license plate number. If able, take pictures and videos of the dumping. Keep a safe distance and do not engage with the violators.

Help make our City a Clean, Livable Environment And Neighborhoods! If you have not yet signed up to be a C.L.E.A.N. Champion, sign up today at [www.dalycity.org/cleanchampion](http://www.dalycity.org/cleanchampion).

## California’s Mandatory Organics Recycling Law

Acceptable Food Waste Items	Acceptable Yard Waste Items	Unacceptable Items
 Fruit	 Grass	• Trash
 Vegetables	 Leaves	• Plastic film
 Pasta, Grains, Rice and Beans	 Plants	• Cans
 Meat	 Branches	• Oil and grease
 Bones		• Glass
 Dairy	 Napkins	• Packaging
 Eggshells	 Paper Plates	• Plastic Containers
 Prepared Food	 Tea Bags	• Plastic bags
	 Coffee Grounds	• Diapers

Effective January 1, 2022, SB 1383 requires ALL residents and businesses to have organic waste collection. Organic waste includes yard trimmings, food scraps, food-soiled paper (like pizza boxes and paper towels) and wax-coated paper (like parchment paper, wax paper and wax-coated produce boxes). The green organics cart is NOT for compostable items that look like plastic, regardless of what the label may say.

The state will require that the City monitor contamination of all waste streams by conducting inspections and enforcing compliance.

If you have any questions about sorting or compliance, contact Republic Services at [InfoDalyCity@RepublicServices.com](mailto:InfoDalyCity@RepublicServices.com) or (650) 756-1130.

## Margate Park Revitalization

Daly City is developing a plan to revitalize Margate Park and meet the needs identified by our community!

Our online survey is now open through January 31, and we want to hear from YOU about which specific park improvements would best suit Margate Park and its surrounding neighborhood.

In the survey, you can share what you want to see at the park and what features or uses you support the most!

Your feedback will help form a new vision for Margate Park. Take the survey now and tell us what you think.
