Spring 2023

Message from the City Manager

Dear Daly City Community:

The City Council has placed their confidence and trust in my ability to carry out the duties of the City Manager and effectively lead this City. Having dedicated the past 23 years of my career to Daly City, I am humbled and honored to serve this community, and I do not take this role lightly. I understand that there will be both challenges and opportunities that we will meet and accomplish together during my tenure.

My staff and I will focus on health and safety efforts, as well as opportunities from an economic standpoint, to improve the quality of life for this community. I look forward to personally connecting with the community and plan to schedule engagement sessions in each Daly City neighborhood this summer. In the meantime, my door is open, and I invite you to schedule an appointment or stop by the City Manager's Office any time.

Respect,

Thomas J. Piccolotti

Appointment of City Manager Thomas J. Piccolotti

The City Council of Daly City unanimously voted 4-0 to appoint Thomas J. Piccolotti as City Manager at the Council meeting on January 23, 2023. Mr. Piccolotti has over 33 years of experience in local government, 23 of which have been spent working for the City of Daly City. He has served the City as the Director of Water and Wastewater Resources since October 6, 2017, and as Interim City Manager since August 8, 2022. Please join us in welcoming Thomas J. Piccolotti!

Friendly Reminder - Recycle Your Organics Properly

As a reminder, Senate Bill (SB) 1383 requires all residents and businesses in California to recycle their organics as of January 1, 2022. This includes food waste, green waste, landscape and pruning trimmings and food-soiled paper products. So toss your food scraps, skins and peelings, egg shells, bones, fish and meat (to name just a few of the accepted items) in your green compost cart. Republic Services will pick it up, take it to their composting facility and turn it into finished compost that they provide at our community compost giveaways to be used in your gardens.

Please be sure to only place accepted items in your **green cart**—no plastics (even those labeled as compostable), aluminum, metal, household hazardous waste, pet waste, sanitary/hygiene products, diapers or wipes. It is important to properly sort your materials at home and place them in the proper carts for organics, recycling and garbage. Please reference the graphic to know what goes where.

SB 1383 also requires the reduction of contamination in each waste cart. Contamination is caused by placing unacceptable items in their respective cart. To ensure compliance with SB 1383, Republic Services staff will be conducting reviews of residential cart contents throughout the year to monitor contamination levels and other issues.

If you still have questions about how to properly sort or want to determine your compliance? Contact Republic Services at (650) 756-1130 or InfoDalyCity@RepublicServices.com.

Affordable Housing Activity

In an effort to spur the development of local affordable housing projects, a total of \$12.5 million has been awarded to support an approved affordable housing project located at 493 Eastmoor Avenue in Daly City. The state has awarded \$3 million to CORE Affordable Housing, the developer of this project, and the County of San Mateo Board of Supervisors has pledged an additional \$9.5 million to the project.

This funding will support the construction of 72 affordable rental homes for extremely low and very low-income individuals and families, which the Daly City Council unanimously approved on February 24, 2020.

CORE is pursuing additional funding to meet its anticipated groundbreaking slated for June 2024.

Westlake Park Senior Pantry

The Westlake Park Senior Food Pantry—a Second Harvest of Silicon Valley and Daly City Recreation Services collaboration—serves free groceries to Daly City seniors 50 years and older who are living at or below 250% of the federal poverty Level (FPL). Free groceries include dairy and meat products, canned and dry goods, bread and specialty items. The pantry is available to eligible seniors by appointment. Appointments are scheduled twice a month. Applications are available in Doelger Senior Center Room 16 or online at linktr.ee/dalycity. Please contact Senior Services Specialist Karen Parque at kparque@dalycity.org or (650) 991-8013 for more information.

Project Read

Know an adult who wants to improve their reading and writing, learn new technology skills, or request assistance in filling out forms? Project Read of North San Mateo County is back to help! They provide free 1-to-1 assistance by trained volunteer tutors to help adults. To learn more or to volunteer, contact them at (650) 829-3871 or projectread@ssf.net.

Participate in the FREE Compost Giveaway!

The City is partnering with its waste hauler, Republic Services, to host its first free compost giveaway for 2023. **Compost will be available on a first-come, first-serve basis on Thursday, April 27 and Friday, April 28 (while supplies last) between the hours of 9AM-4PM.**

The event will be held in the parking lot of the Department of Water & Wastewater Resources located at 153 Lake Merced Boulevard, Daly City, 94015. To participate in the compost giveaway, please bring a sturdy container, shovels and gloves for this self-serve event. Residents must show proof of residency and are limited to 0.5 cubic yards, equivalent to 96-gallon cart, of compost per household.
